

thereof on Lessee's leasehold except for those uses or occupations delineated under Item (1) of subsection (c1) of subsection 4.2.2, Lessee shall report whichever of the following results in the greater percentage rental: (1) the Gross Receipts of each Sublessee under one or more of the appropriate subsections of this Section; or (2) Lessee's receipts from each Sublessee under subsection (c) or (c1) of this Section.

4.2.2.6. Interest; Etc. Interest, service or late charges collected in conjunction with a transaction, sale or activity of Lessee or Sublessee shall be reported in the same percentage category as the transaction, sale or activity is reported.

4.2.2.7. Percentage Rent Does Not Affect Permitted Uses. It is understood and acknowledged by Lessee that Section 3.1 of this Lease sets forth the Permitted Uses of the Premises by Lessee; thus, the Percentage Rent categories listed in subsection 4.2.2 are not all necessarily applicable to this Lease and are in no way intended to expand the Permitted Uses.

4.2.2.8. Policy Statements. Director, by Policy Statement and with the approval of Lessee, Auditor-Controller and County Counsel may further interpret the definition of Gross Receipts, with such interpretations to be a guideline in implementing the foregoing subsections of this Lease.

4.3 Adjustments to Annual Minimum Rent. As of the third (3rd) anniversary of the Completion Date (or as of the third (3rd) anniversary of the Required Completion Date if the Completion Date does not occur on or before the Required Completion Date) (the "First Adjustment Date") and as of each third (3rd) anniversary of the First Adjustment Date thereafter (each an "Adjustment Date" and collectively the "Adjustment Dates"), the Annual Minimum Rent shall be adjusted. Until the Renegotiation Date provided in Section 4.4 hereof, the Annual Minimum Rent shall be adjusted as of each Adjustment Date to the amount which equals seventy five percent (75%) of the average of the scheduled total annual rent due (including Monthly Minimum Rent and Percentage Rent) from Lessee to County under Section 4.2 of this Lease during the thirty-six (36) month period immediately preceding the Adjustment Date; provided, however, if the Completion Date does not occur by the Required Completion Date, then for purposes of determining the average total annual rent that was payable for the thirty-six (36) month period prior to the First Adjustment Date, the total per diem annual rent for the period from the Required Completion Date until the Completion Date shall be deemed to be the same total per diem annual rent that was payable by Lessee for the period from the Completion Date until the next anniversary of the Required Completion Date.

4.4 Renegotiation of Annual Minimum and Percentage Rents. Effective on each tenth (10th) anniversary of the Completion Date (or effective on each tenth (10th) anniversary of the Required Completion Date if the Completion Date does not occur on or before the Required Completion Date (each a "Renegotiation Date" and collectively, the "Renegotiation Dates"), the Annual Minimum Rent and Percentage Rent shall be readjusted to the Fair Market Rental Value (as defined below) of the Premises.

4.4.1. Fair Market Rental Value. As used herein, "Fair Market Rental Value" shall mean, as of each Renegotiation Date, the fair market rent (including an annual minimum rent), expressed as respective percentages of Gross Receipts in accordance with the categories enumerated in subsection 4.2.2, which the Premises (with any and all Improvements existing thereon deemed to be owned by County as of the Renegotiation Date) would bring, on an absolute net basis, taking into account the Permitted Uses, all relevant and applicable County policies and all of the other terms, conditions and covenants contained in the Lease, if the Premises were exposed for lease for a reasonable time on an open and competitive market to a lessee for the purpose of the Permitted Uses, where County and the respective tenant are dealing at arms length and neither is under abnormal pressure to consummate the transaction, together with all restrictions, franchise value, earning power and all other factors and data taken into account in accordance with California law applicable from time to time to eminent domain proceedings. Notwithstanding any contrary provision hereof, in no event shall the Fair Market Rental Value of Percentage Rents ever be less than the specific numeric percentages set forth in subsection 4.2.2 of this Lease.

4.4.2. Renegotiation Period. Not more than one (1) year nor less than nine (9) months prior to the Renegotiation Date, Lessee shall deliver to County written notice setting forth Lessee's determination of the Fair Market Rental Value of the Premises. Lessee's notice shall include a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as Lessee deems relevant or as may be reasonably requested by County. Within one hundred twenty (120) days after receipt of Lessee's notice, if County disagrees with Lessee's determination, County shall deliver to Lessee written notice of such disagreement, together with County's determination of Fair Market Rental Value and a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as County deems relevant or as may be reasonably requested by Lessee, to the extent available to County. If County fails to deliver to Lessee notice of its disagreement within the aforementioned period and such failure continues for fifteen (15) days after receipt of written notice from Lessee, then Lessee's determination of Fair Market Rental Value shall be binding on County as of the Renegotiation Date; provided, however, that Lessee's notice to County shall conspicuously state in bold faced type that such determination of Fair Market Rental Value shall be binding on County unless County delivers notice of its disagreement within such fifteen (15) day period.

If Lessee fails to deliver the notice described in the first sentence of this subsection, setting forth Lessee's determination of Fair Market Rental Value, and such failure continues for fifteen (15) days after receipt of written notice from County, then County shall submit its determination of Fair Market Rental Value to Lessee, and Lessee shall have fifteen (15) days to deliver to County written notice of Lessee's agreement or disagreement with County's determination. If Lessee fails to deliver notice of such disagreement, then County's determination of Fair Market Rental Value shall be binding on Lessee as of the Renegotiation Date.

4.4.3. Negotiation of Fair Market Rental Value. If County (or Lessee, as the case may be) does so notify Lessee (or County, as the case may be) of its disagreement as provided in subsection 4.4.2, County and Lessee shall have sixty (60) days from the end of the applicable response period in which to agree upon the Fair Market Rental Value for the Premises. County and Lessee shall negotiate in good faith during said sixty (60) day period. If the parties do so agree, they shall promptly execute an amendment to this Lease setting forth the Fair Market Rental Value so jointly determined, to be effective upon the Renegotiation Date. Director shall be authorized to execute any such amendment on behalf of County. During the period of negotiation, Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to the obligation to pay to County Annual Minimum Rent and Percentage Rent at the level existing for the last year of the ten (10) year period then completed.

4.4.4. Arbitration. If County and Lessee fail to reach agreement during the sixty (60) day period set forth in subsection 4.4.3, then, unless the parties agree otherwise, the Fair Market Rental Value of the Premises shall be determined by arbitration as set forth in Article 16 of this Lease and the parties shall execute an amendment to this Lease setting forth the Fair Market Rental Value as determined by arbitration. In order to determine the Fair Market Rental Value of the Premises, the arbitrator shall take into consideration all of the terms, conditions and covenants of this Lease, the earning power and all of the factors and data relating to such value required or proper to be considered in determining the fair rental value of leaseholds under the laws of eminent domain in the State of California. During the period of arbitration, County and Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to Lessee's obligation to pay to County Annual Minimum Rent and Percentage Rent at then existing levels.

4.4.5. Retroactivity. In the event that, pursuant to subsections 4.4.3 or 4.4.4 hereof, the parties execute an amendment to this Lease setting forth the Fair Market Rental Value and the Annual Minimum Rent, such amendment, if executed prior to the Renegotiation Date, shall be effective as of the Renegotiation Date; if executed after the Renegotiation Date, such amendment shall be retroactive to the Renegotiation Date. In the event that such amendment is executed after the Renegotiation Date, then, within seven (7) days after such execution, Lessee shall pay to County, or County shall at its election pay or credit to Lessee, the difference; if any, between (a) such Fair Market Rental Value for the Premises and (b) the actual Annual Minimum Rent and Percentage Rent paid by Lessee to County, for the period of time from the Renegotiation Date until the date of such payment. Lessee (with respect to overpayments) or County (with respect to underpayments) shall further be entitled to interest, compounded monthly, on each portion of such payment from each date on which the applicable rental payments were payable under this Lease to the date paid or credited, whichever is applicable, at the following rates:

- (i) the interest rate applicable to the first six (6) months following the Renegotiation Date shall be equal to the average daily rate for the non-restricted funds held and invested by the Treasurer and Tax Collector of Los Angeles County during that period, computed by the Auditor-Controller ("County Pool Rate"); and,

(ii) the interest rate applicable to any period of time in excess of six (6) months following the Renegotiation Date shall be the average daily variable prime rate of interest published in the Wall Street Journal (the "Prime Rate") plus one percent (1%) for the period between the date which is six (6) months after the Renegotiation Date and the date of payment.

4.5 Payment and Late Fees. Monthly Minimum Rent shall be paid by Lessee in advance. Payments of Minimum Monthly Rent shall be received by County on or before the first day of each calendar month of the Term. Percentage Rent shall be paid by Lessee in arrears. Percentage Rent due, if any, for a given month of the Term shall be received by County on or before the fifteenth day of the calendar month following each month of the Term, calculated as follows: the Lessee shall calculate the total Percentage Rent owed to County for the relevant month of the Term; it shall deduct from said amount the total Monthly Minimum Rent paid to County for that same month; if the resulting amount is a positive number, Lessee shall pay that amount to County; if that amount is a negative number, no Percentage Rent shall be paid to County for that month but nevertheless the Monthly Minimum Rent shall be paid every month of the Term hereof. Percentage Rent payments shall be reconciled annually at the end of each Lease Year, with any Excess Percentage Rent Payments credited as provided in subsection 4.2.2.4. Payment may be made by check or draft issued and payable to The County of Los Angeles, and mailed or otherwise delivered to the Department of Beaches and Harbors, Los Angeles County, 13483 Fiji Way, Trailer No. 2, Marina del Rey, California 90292, or such other address as may be provided to Lessee by County. Lessee acknowledges that County shall have no obligation to issue monthly rental statements, invoices or other demands for payment, and that the rental payments required herein shall be payable notwithstanding the fact that Lessee has received no such statement, invoice or demand. In the event any payment is not received by County within five (5) days after the date due, Lessee acknowledges that County will experience additional management, administrative and other costs that are impracticable or extremely difficult to determine. Therefore, a fee ("Late Fee") of six percent (6%) of the unpaid amount shall be added to any amount not paid within five (5) days after the date due and payable; provided that the Late Fee shall be waived with respect to the first occurrence during any Lease Year of a late payment if such payment is received by County within one (1) business day following written notice from County that the unpaid amount was not paid by the date due. In addition to any Late Fee, any unpaid rent due shall additionally bear interest at an annual rate equal to the Prime Rate plus three percent (3%), computed from the date when such amounts were due and payable, compounded monthly, until paid. Lessee acknowledges that such Late Fee and interest shall be applicable to all identified monetary deficiencies under this Lease, whether identified by audit or otherwise, and that interest on such amounts shall accrue from and after the date when such amounts were due and payable as provided herein (as opposed to the date when such deficiencies are identified by County).

4.6 Changes of Ownership and Financing Events. Except as otherwise provided in this Section 4.6, each time Lessee proposes either (a) a Change of Ownership or (b) a Financing Event, County shall be paid (1) an Administrative Charge equal to the Actual Cost incurred by County in connection with its review and processing of said Change of Ownership or Financing Event ("Administrative Charge") and (2) a Net Proceeds Share, in the event County approves such proposed Change of Ownership or Financing Event and such transaction is consummated. "Net Proceeds Share" shall mean the applicable amount determined pursuant to Section 4.8 of

this Lease. Changes of Ownership and Financing Events are further subject to County approval as provided in Articles 11 and 12 of this Lease.

4.6.1. Change of Ownership. "Change of Ownership" shall mean (a) any transfer by Lessee of a five percent (5%) or greater direct ownership interest in this Lease or in any Major Sublease, (b) Lessee's granting of a Major Sublease or (c) any transaction or series of related transactions not described in subsections 4.6.1(a) or (b) which constitute an Aggregate Transfer of fifty percent (50%) or more of the beneficial interests in, or a Change of Control of, Lessee, this Lease or a Major Sublease. For the purposes of this Lease, "Change of Control" shall refer to a transaction whereby the transferee acquires a beneficial interest in Lessee, this Lease or a Major Sublease which brings its cumulative beneficial interest in Lessee, this Lease or a Major Sublease, as appropriate, to over fifty percent (50%).

4.6.2. Excluded Transfers. Notwithstanding anything to the contrary contained in this Lease, Changes of Ownership resulting from the following transfers shall not be deemed to create an obligation to pay County a Net Proceeds Share, and, except for a transfer described in subsection 4.6.2.1, County shall have no approval rights with respect thereto (other than those approval rights set forth below regarding the managing general partner of Lessee), although County shall be provided with prior written notice of the change of ownership and Lessee shall reimburse County for the Actual Cost of its review of such transactions, which review with respect to the transactions described in subsections 4.6.2.2 through 4.6.2.6 shall be limited to confirming that each change of ownership qualifies as an Excluded Transfer under this subsection 4.6.2:

4.6.2.1 a transfer by any direct or indirect partner (which for purposes of this subsection 4.6.2 shall also mean member, shareholder or other interest holder if Lessee becomes an entity other than a partnership) of Lessee as of the Execution Date, to any other direct or indirect partner of Lessee as of the Execution Date;

4.6.2.2 a transfer to a spouse in connection with a property settlement agreement or decree of dissolution of marriage or legal separation, or a transfer by a direct or indirect partner of Lessee directly to a spouse, sibling or descendant; provided, however, that County shall at all times have the right to approve the managing general partner, or managing member if Lessee hereby becomes a limited liability company (and the controlling interest in such managing general partner or managing member), of Lessee following such a transfer;

4.6.2.3 a transfer of the existing interests in Lessee held by a direct or indirect partner of Lessee to any living trust, by way of gift, devise, intestate succession or operation of law, where the transferee living trust's assets are substantially the same as the transferor and the beneficiaries of said trust are members of the transferor's immediate family (which for the purposes of this subsection shall be limited to the transferor's spouse, children, parents, siblings and grandchildren), together with the subsequent transfer of such interests to such beneficiaries upon the death of such partner; provided, however, the parties

acknowledge (a) that a subsequent dilution or transfer of said interests shall be subject to County approval and fees as provided herein, and (b) County shall have at all times the right to approve the managing general partner, or managing member in the event that Lessee becomes a limited liability company (and the controlling interest in such managing general partner or managing member), of Lessee.

4.6.2.4.a transfer of a beneficial interest resulting from public trading in the stock or securities of an entity, where such entity is a corporation whose stock is traded publicly on a national stock exchange or is traded in the over-the-counter market and whose price is regularly quoted in recognized national quotation services;

4.6.2.5.a mere change in the form, method or status of ownership (other than a transfer of beneficial interests between or among individuals and/or entities controlled by such individuals); provided that this exclusion shall not apply to a single transaction or series of related transactions whereby an Aggregate Transfer of fifty percent (50%) or more of the beneficial interests in Lessee, this Lease or a Major Sublease has occurred, except if the transfer is purely a change in the form of ownership, such as a conversion of Lessee's partnership to a corporation or limited liability company, as long as there is a continuity of management; or

4.6.2.6.any transfer resulting from a Condemnation by County or other governmental entity having the power of eminent domain if consented to by County.

4.6.3. Aggregate Transfer. "Aggregate Transfer" shall refer to the total percentage of the shares of stock, partnership interests, membership interests or any other equity interests (which constitute beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate) transferred in all transactions (other than those enumerated in subsection 4.6.2) occurring since the later of (a) the Effective Date, (b) the execution by Lessee of this Lease or a Major Sublease, as appropriate, or (c) the most recent Change of Ownership upon which an Administrative Charge was paid to County.

4.6.4. Beneficial Interest. As used in this Lease, the "beneficial interest," "beneficial interest in this Lease," or "beneficial interest in a Major Sublease" shall refer to the interests of the natural persons who comprise the ultimate owner or owners of Lessee's interest in this Lease or a Major Sublease, or a Major Sublessee's interest in a Major Sublease, whichever is appropriate, regardless of the form of such ownership and regardless of whether such interests are owned through corporations, trusts, partnerships, limited liability companies or layers thereof; provided, however, that if an entity with an ownership interest in the Lease or a Major Sublease is a partnership, corporation or limited liability entity (a) whose beneficial interest in this Lease or a Major Sublease, whichever is appropriate, comprises less than fifteen percent (15%) of its total assets or (b) in which no ten (10) shareholders, partners or members together own more than thirty percent (30%) of the partnership interests, shares, membership interests or other equity interests in the entity, then for the purposes of Sections 4.6 through 4.8 hereof, the entity

itself shall be deemed to be the ultimate owner of the beneficial interest in this Lease or a Major Sublease, as appropriate, and the owners of such entity shall not be treated as the ultimate owners of such beneficial interest.

4.6.4.1. Interests Held By Entities. Except as otherwise provided herein, an interest in Lessee, this Lease or a Major Sublease held or owned by a partnership, limited liability company, corporation or other entity shall be treated as owned by the partners, members, shareholders or other equity holders of such entity in proportion to their respective equity interests, determined by reference to the relative values of the interests of all partners, members, shareholders or other equity holders in such entity. Where more than one layer of entities exists between Lessee or a Major Sublessee, as appropriate, and the ultimate owners, then the foregoing sentence shall be applied successively to each such entity in order to determine the ownership of the beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate, and any transfers thereof.

4.6.4.2. Ownership of Multiple Assets. The proceeds of any event constituting or giving rise to a Change of Ownership shall be apportioned to this Lease or a Major Sublease, whichever is appropriate, and to any other assets transferred in the same transaction in proportion to the relative fair market values of the respective assets transferred. The Net Proceeds Share shall be calculated only by reference to the amount of such proceeds apportioned to this Lease, a Major Sublease or the beneficial interests therein, whichever is appropriate.

4.7 Calculation and Payment. A deposit of Fifteen Thousand and 00/100 Dollars (\$15,000) toward the Administrative Charge shall be due and payable upon Lessee's notification to County of the proposed Change of Ownership or Financing Event and request for County's approval thereof. If the transaction is approved, the balance of the Administrative Charge, if any, and the Net Proceeds Share shall be due and payable concurrently with the consummation of the transaction constituting the Change of Ownership or Financing Event giving rise to the obligation to pay such fee, regardless of whether or not money is transferred by the parties in connection with such consummation. If County disapproves the proposed transaction then, within thirty (30) days after notice of its disapproval, County shall deliver to Lessee a written notice setting forth the Administrative Charge, together with a refund of the amount, if any, of the deposit in excess of the Administrative Charge otherwise allowable under Section 4.6. In the event that the Administrative Charge exceeds the deposit, then Lessee shall pay County the balance of the Administrative Charge otherwise allowable under Section 4.6 within thirty (30) days after receipt of the notice from County setting forth the Administrative Charge and any supporting documentation reasonably requested by Lessee within five (5) business days after its receipt of such notice. Together with its request for County approval of the proposed transaction, Lessee, a Major Sublessee or the holder of a beneficial interest in this Lease or a Major Sublease, whichever is appropriate, shall present to County its calculation of the Net Proceeds Share (if any) anticipated to be derived therefrom, which shall include the adjustment to Improvement Costs, if any, which may result from the payment of such Net Proceeds Share ("Calculation Notice"). Each Calculation Notice shall contain such detail as may be reasonably requested by County to verify the calculation of the Net Proceeds Share. Within thirty (30) days after the receipt of the Calculation Notice and all information or data reasonably necessary for

County to verify the calculations within the Calculation Notice, County shall notify the party giving the Calculation Notice as to County's agreement or disagreement with the amount of the Net Proceeds Share set forth therein or the related adjustment of Improvement Costs, if any. Failure of County to approve the Calculation Notice in writing within such thirty (30) day period shall be deemed to constitute County's disapproval thereof. Failing mutual agreement within thirty (30) days after the expiration of said thirty (30) day period, the dispute shall be resolved by arbitration as set forth in Article 16 of this Lease in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value. In the event County approves a Change of Ownership or Financing Event but a dispute exists as to the Net Proceeds Share in respect thereof or the related adjustment, if any, in Improvement Costs, then the transaction may be consummated after County has disapproved Lessee's Calculation Notice; provided, however, that (i) Lessee shall remit to County as otherwise required hereunder the undisputed portion of the Net Proceeds Share and (ii) Lessee shall deposit the disputed portion of the Net Proceeds Share into an interest bearing escrow account at the closing of the transaction, which portion shall be distributed in accordance with the arbitration of the dispute pursuant to Article 16 of this Lease, in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value.

4.7.1. Transfer of Less Than Entire Interest. Where a Change of Ownership has occurred by reason of the transfer of less than all of an owner's beneficial interest in Lessee, this Lease or a Major Sublease, the Net Proceeds Share shall be due and payable with respect to those portions of such beneficial interest that have been acquired by the transferee since the latest of (a) the Effective Date, (b) the date of the execution of this Lease (or a Major Sublease) by Lessee, (c) the most recent event creating Lessee's obligation to pay a Net Proceeds Share (including without limitation an approval by County of a transfer at a price which falls below the threshold for paying a Net Proceeds Share) with respect to this Lease (or a Major Sublease), or (d) the date which is twelve (12) months prior to the transfer which constitutes the Change of Ownership.

4.7.2. Purchase Money Notes. If the transferor of an interest accepts a note made by the transferee of such interest in payment of all or a portion of the acquisition cost (a "Purchase Money Note"), such note shall be valued at its face amount; provided that if the interest rate on such Purchase Money Note is in excess of a market rate, then the value of such note shall be increased to reflect such above-market rate. Any disputes between County and Lessee as to whether the interest rate on a Purchase Money Note is in excess of a market rate or with respect to the valuation of a Purchase Money Note with an above-market rate of interest, shall be settled by arbitration pursuant to Article 16 below.

4.7.3. Obligation to Pay Net Proceeds Share and Administrative Charge. With respect to a Change of Ownership giving rise to the Administrative Charge and Net Proceeds Share, the obligation to pay the Administrative Charge and Net Proceeds Share shall be the joint and several obligation of the transferor and transferee; provided, however, that the transferee shall not be liable for the payment of the Administrative Charge or Net Proceeds Share if the transferor provides County with a deposit, letter of credit or other security satisfactory to County for the payment thereof. In the event that the Administrative Charge or Net Proceeds Share is not paid when due with respect to the

beneficial interest in this Lease, then County shall have the remedies set forth in Section 13.3 hereof.

4.8 Net Proceeds Share. In the event of a Change of Ownership, the Net Proceeds Share shall be a sum equal to the greater of (a) five percent (5%) of the gross sale or transfer proceeds or other consideration given for the interests transferred (but in the case of a transfer to a party affiliated with or otherwise related to the transferor, such consideration shall in no event be deemed to be less than the fair value of the interests transferred), or (b) twenty percent (20%) of the Net Transfer Proceeds from such transfer. With respect to a Financing Event, the Net Proceeds Share (if any) shall be equal to twenty percent (20%) of the Net Refinancing Proceeds from such Financing Event.

4.8.1. Transaction by Original Lessee. In the case of a transfer by Lessee (but not a successor or assignee of Lessee) constituting a Change of Ownership, "Net Transfer Proceeds" shall mean the total cash and other consideration received (but in the case of a transfer to a party affiliated with or otherwise related to the transferor, such consideration shall in no event be deemed to be less than the fair value of the interests transferred), less the following costs with respect to Lessee (but not its successors or assignees):

4.8.1.1. \$ _____ (the "Existing Value"), (b) the amount of the Option Fee paid by Lessee under the Option Agreement, (c) the actual out-of-pocket costs incurred by Lessee for its third party consultants and attorneys in connection with the negotiation and consummation of the transactions resulting in the execution of this Lease, and (d) the Actual Costs reimbursed by Lessee to County pursuant to Section 15.3 of this Lease (the "Base Value"); plus

4.8.1.2. the final actual construction costs paid by Lessee in connection with the construction of the Redevelopment Work or other physical Improvements to the Premises in accordance with Article 5 herein (including future capital redevelopment and rehabilitation work, but not periodic maintenance and repair) to the Premises in accordance with the requirements of this Lease ("Improvement Costs"), whose costs have been submitted to Director within thirty (30) days after the completion of such Improvements and which costs shall have been certified in writing to Director by Lessee to have been incurred, along with evidence reasonably satisfactory to Director that such costs have been incurred. Alternatively, with respect to capital improvements that are not part of the initial Redevelopment Work, Lessee shall be entitled to adopt a program of annual submissions to Director within ninety (90) days following the end of each Lease Year. Construction costs shall include all hard and soft costs (including out-of-pocket design and predevelopment costs incurred prior to the date of the Lease for Redevelopment Work or other physical Improvements constructed after the Effective Date, construction period interest on Lessee's construction loan, and developer fees incurred by Lessee, as long as such developer fees do not exceed four percent (4%) of hard construction costs); plus

4.8.1.3. commissions, title and escrow costs, documentary transfer taxes, reasonable attorneys' fees, prepayment or yield maintenance premiums and other

bona fide closing costs actually paid to third parties and documented to the satisfaction of County, which costs were directly attributable to the consummation of the particular transaction giving rise to the obligation to pay County a Net Proceeds Share (collectively, "Documented Transaction Costs"); plus

4.8.1.4 That portion of the principal amount of any Financing Event after the Effective Date that constituted Net Refinancing Proceeds on which Lessee paid County a Net Proceeds Share.

4.8.2. Transfer by Lessee's Successor. In the case of a transfer by a Lessee other than the original Lessee, "Net Transfer Proceeds" shall mean the total cash and other consideration received by that successor Lessee (but in the case of a transfer to a party affiliated with or otherwise related to the transferor, such consideration shall in no event be deemed to be less than the fair value of the interests transferred), minus the following costs with respect to such successor Lessee:

4.8.2.1. the greatest of (a) the Base Value plus the amount of any Improvement Costs incurred prior to such successor Lessee's acquisition of its leasehold interest in the Premises, (b) the purchase price such successor paid to Lessee or such successor's seller for the interest acquired (or the fair market value of the interests transferred in connection with the seller's acquisition of the leasehold if utilized in connection with the calculation of Net Transfer Proceeds with respect to that sale) or (c) the original principal amount of any Financing Event or Financing Events (on a non-duplicative basis) after such successor Lessee's acquisition of the leasehold and with respect to which County was paid a Net Proceeds Share, plus the principal amount of any financing existing as of the date on which such seller acquired the leasehold or subsequently obtained by Lessee, if such financing has not been refinanced, but without duplication;

4.8.2.2. Improvement Costs actually paid by such successor Lessee after such successor Lessee's acquisition of its leasehold interest in the Premises, and not subsequently repaid with Net Refinancing Proceeds, provided that such costs have been submitted to and approved by County to the extent provided in subsection 4.8.1.1 with respect to Lessee; and,

4.8.2.3. Documented Transaction Costs with respect to the transfer of the interest by the successor.

4.8.3. Transfers of Major Sublessee's Interest. With respect to any Change of Ownership described in subsection 4.6.1(b), subsections 4.8.1 and 4.8.2 shall apply, except that any rents or other amounts received by Lessee from the Major Sublessee and passed through to County under any provision of this Lease (other than payment of Net Proceeds Share) shall be disregarded in the computation of Net Transfer Proceeds.

4.8.4. Other Transfers. With respect to any Change of Ownership not described in subsections 4.8.1 through 4.8.3 (i.e., a transfer of an interest in an entity holding a direct or indirect ownership interest in this Lease or in a Major Sublease), subsections

4.8.1 and 4.8.2 shall apply to such Change of Ownership, except that in lieu of deducting the Existing Value (if any) and Improvement Costs in determining Net Transfer Proceeds, the cost to the transferor of the interest being transferred shall be deducted. Furthermore, in the event that any such Change of Ownership produces a Net Proceeds Share, the then existing Improvement Costs shall be increased by an appropriate amount to reflect such Net Proceeds Share, as if it had been realized by Lessee upon a transfer of a comparable interest in this Lease or in a Major Sublease, as appropriate.

4.8.5. Net Refinancing Proceeds. "Net Refinancing Proceeds" shall mean the gross principal amount of any Financing Event after the Execution Date, minus (i) the greatest of (a) the Existing Value, (b) the principal amount of Lessee's existing financing as of the Execution Date or (c) the principal amount of any subsequent refinancing by Lessee in connection with which County was paid a Net Proceeds Share, together with any portion of the proceeds of the Financing Event which shall be used for Improvement Costs, (ii) other Improvement Costs incurred by Lessee and not paid for or repaid with the proceeds of any Financing Event, and (iii) Documented Transaction Costs with respect to such Financing Event.

4.8.6. Effect of Refinancing on Improvement Costs. Upon payment to County of a Net Proceeds Share in connection with a Financing Event, then the Improvement Costs incurred by Lessee prior to such Financing Event shall be increased by the amount of New Refinancing Proceeds derived from such Financing Event and the Documented Transaction Costs in connection therewith and shall be in addition to Improvement Costs incurred by Lessee after such Financing Event.

4.8.7. Transfers to which Sections 4.6 through 4.8 Apply. The provisions of Sections 4.6 through 4.8 hereof shall apply to all transfers of beneficial interests in this Lease or a Major Sublease which constitute a Change of Ownership, unless such transfers are otherwise excluded pursuant to this Lease. Furthermore, the provisions of Sections 4.6 through 4.8 of this Lease, and the principles set forth therein, shall apply to any transfer or series of transfers which County can demonstrate was primarily structured for the purpose of avoiding the obligation to pay Net Proceeds Share set forth in Sections 4.6 through 4.8 of this Lease and which, viewed together, would otherwise constitute a Change of Ownership.

4.8.8. Payment. Net Proceeds Share shall be due and payable concurrently with the transfer giving rise to the obligation to pay such fees and shall be the joint and several obligation of the transferee and transferor. Net Proceeds Share not paid when due shall be subject to a late fee of six percent (6%) of the amount due, together with interest on such Net Proceeds Share and late fee at the Applicable Rate from the date due until paid. In the event that the proceeds of the transaction giving rise to the obligation to pay Net Proceeds Share are comprised, in whole or in part, of assets other than cash, then the cash payment of the Net Proceeds Share shall reflect the fair market value of such non-cash assets as of the date of the Change of Ownership, which shall be set forth in the Calculation Notice. Notwithstanding the foregoing, in the case of a Change of Ownership described in subsection 4.6.1(b), the Net Proceeds Share shall be payable to County as and when the Net Transfer Proceeds are received, with the Net Proceeds Share

being equitably apportioned to the payments derived by Lessee from said Change of Ownership (other than any payments passed through to County under this Lease).

4.8.9. Shareholder, Partner, Member, Trustee and Beneficiary List. Prior to the Execution Date, prior to each subsequent Change of Ownership or Financing Event and upon the request of County (which requests shall be no more frequent than once per year), Lessee shall provide County with an updated schedule listing the names and mailing addresses of: (i) all shareholders, partners, members and other holders of equity or beneficial interests in Lessee, this Lease or the Major Sublessee under any Major Sublease, and (ii) all shareholders, partners, members and other holders of equity or beneficial interests in any of the constituent shareholders, partners, members or other holders of equity or beneficial interests in Lessee or any Major Sublessee under any Major Sublease, if such interest exceeds a five percent (5%) or greater beneficial interest in Lessee, its constituent shareholders, partners, members or other interest holders, or the Major Sublessee under a Major Sublease. In the event that such shareholder, partner, member or other interest holder is a trust, Lessee shall include in such schedule the name and mailing address of each trustee of said trust, together with the names and mailing addresses of each beneficiary of said trust with greater than a five percent (5%) actuarial interest in distributions from, or the corpus of, said trust; provided, however, that to the extent that Lessee is prevented by Applicable Laws from obtaining such information regarding the beneficiaries of said trust(s), Lessee shall have complied with this provision if Lessee uses its best efforts to obtain such information voluntarily and provides County with the opportunity to review any such information so obtained. Lessee agrees to use its best efforts to provide County with any additional information reasonably requested by County in order to determine the identities of the holders of five percent (5%) or greater beneficial interests in Lessee or its constituent shareholders, partners, members or other interest holders, this Lease or a Major Sublease.

5. CONSTRUCTION OF IMPROVEMENTS.

5.1 Redevelopment Work. It is expressly understood and agreed that Lessee shall demolish the existing Improvements located on the Premises, and construct new Improvements on the Premises in accordance with the Redevelopment Plan attached to this Lease as Exhibit B, including without limitation, the following new Improvements: (i) a new commercial building (the "New Commercial Building") containing not less than 29,000 square feet of rentable area of space to be initially allocated approximately as follows: 5,000 rentable square feet of yacht club space, 10,000 rentable square feet of health club space, 2,916 rentable square feet of retail space and 11,432 rentable square feet of marine commercial office space; (ii) an attached parking structure with 447 parking spaces or such other number of parking spaces as required under Section 15.20 below (the "Parking Structure"); (iii) complete replacement of the existing 182 boat slips and related Improvements with 87 new boat slips with an average slip length of 36 lineal feet and related Improvements (all such boat slips and related Improvements, as approved and constructed, the "Anchorage Improvements"); and (iv) the Promenade Work described in Section 15.19 of this Lease. The demolition and construction work described in the immediately preceding sentence, along with all associated improvement, hardscape, landscape and other site work approved by County and to be performed in connection with such construction work, are herein collectively referred to as the "Redevelopment Work." The design, density, site coverage,

layout and open space, view corridors, building height, construction materials, landscaping, hardscaping and other improvement specifications pertaining to the Redevelopment Work shall be subject to County's approval as set forth in this Section 5, and shall be subject to the receipt by Lessee of all Entitlements. The boat slips to be constructed as part of the Anchorage Improvements shall be constructed with concrete or such other materials as approved by the Director. Lessee shall be solely responsible for all costs and expenses incurred in connection with the design, entitlement and construction of the Redevelopment Work. Lessee shall expend not less than the Minimum Development Cost (as defined below) for the cost of the Redevelopment Work, which expenditures shall be subject to the verification and reasonable approval by County. The "Minimum Development Cost" shall mean \$13,000,000 increased by the same percentage increase (if any) in the ENR Index from April, 2005 through the date of the commencement of construction of the Redevelopment Work. Lessee shall comply with all time deadlines and schedules set forth in this Section 5 relating to the completion of the design and construction of the Redevelopment Work. Lessee's failure to do so shall, if not cured within the applicable cure set forth in subsection 13.1.2, constitute an Event of Default.

5.2 Schematics and Narrative. If, and to the extent, not completed by Lessee prior to the Effective Date in accordance with Section 4.3 of the Option Agreement, Lessee shall submit to the Director six (6) sets of schematic plans together with a narrative description and construction cost estimate summary clearly delineating the nature, size, configuration and layout of any and all Improvements to be constructed, altered or modified on the Premises as part of the Redevelopment Work. Such plans shall, among other things, clearly delineate the architectural theme or motif of the Improvements and shall identify and illustrate the boundaries of the Premises and all rights-of-way or other areas reserved to County or third parties which are located thereon. The schematic plans and other materials required to be submitted by Lessee after the Effective Date pursuant to this Section 5.2 (i.e., not including those required to be submitted by Lessee during the Option Term pursuant to Section 4.3 of the Option Agreement) shall be submitted by Lessee to Director in accordance with a schedule that facilitates Lessee's completion of the Redevelopment Work on or before the Required Completion Date (subject to any extension thereof permitted hereunder) set forth in Section 5.7 below (taking into consideration the other plan submittal and approval periods set forth in this Lease). Director shall have sixty (60) days within which to approve or disapprove Lessee's submission under this Section 5.2. Failure of Director to approve such submission in writing within said sixty (60) day period shall be deemed disapproval of said submission. After approval of schematic plans (or subsequent approval of Preliminary or Approved Final Plans, Specifications and Costs, as defined herein) by Director, if changes in such plans are required by conditions of approval of the Improvements imposed by the California Coastal Commission or other governmental agency having jurisdiction thereover, Lessee shall promptly advise Director in writing of such changes and Director shall not disapprove the changes required by the California Coastal Commission or other governmental agency, as appropriate, unless such changes materially prejudice County's ability to enjoy the rights and benefits granted to County pursuant to this Lease.

5.3 Preliminary Plans and Specifications. If, and to the extent, not completed by Lessee prior to the Effective Date in accordance with Section 4.3 of the Option Agreement, Lessee shall submit to Director six (6) sets of preliminary plans, outline specifications and construction cost estimates for the Improvements set forth therein. The preliminary plans, outline specifications and construction cost estimate shall conform to, expand upon and reflect a

natural evolution from the descriptions and estimates set forth in the approved schematic plans and narrative. Any difference in the scope, size, configuration, arrangement or motif of the Improvements from those described in the approved schematics and narrative shall be separately identified and described. The preliminary plans, outline specifications and construction cost estimates required to be submitted by Lessee after the Effective Date pursuant to this Section 5.3 (i.e., not including those required to be submitted by Lessee during the Option Term pursuant to Section 4.3 of the Option Agreement) shall be submitted by Lessee to Director in accordance with a schedule that facilitates Lessee's completion of the Redevelopment Work on or before the Required Completion Date set forth in Section 5.7 below (taking into consideration the other plan submittal and approval periods set forth in this Lease). Director shall have twenty-one (21) days within which to approve or reasonably disapprove Lessee's submission under this Section 5.3, and Director may disapprove said preliminary plans on the grounds that they do not reflect a natural evolution from the approved schematic plans or that they materially differ from the approved schematic plans and narrative. Failure of Director to disapprove said preliminary plans within twenty one (21) days after Director's receipt thereof shall be deemed Director's approval thereof; provided, however, that in the event that the preliminary plans, outline specifications and construction cost estimates contain substantial changes from the approved schematics and narrative, then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the preliminary plans, outline specifications and construction cost estimates, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

"PURSUANT TO SECTION 5.3 OF THE AMENDED AND RESTATED LEASE AGREEMENT, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM."

5.4 Final Plans and Specifications. If, and to the extent, not completed by Lessee prior to the Effective Date in accordance with Section 4.3 of the Option Agreement, Lessee shall submit for approval by Director six (6) complete sets of final plans, detailed specifications and a construction cost statement for all Improvements to be constructed, altered or modified by Lessee on the Premises, together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. Lessee shall file duplicate copies of the final plans, detailed specifications and construction cost statement required by this Section with the County Director of Public Works, together with the necessary and appropriate applications for building permits. Any difference in the scope, size, configuration, arrangement or motif of the Improvements from those described in the approved preliminary plans and specifications shall be separately identified and described. The final plans and other materials required to be submitted by Lessee after the Effective Date pursuant to this Section 5.4 (i.e., not including those, if any, required to be submitted by Lessee during the Option Term pursuant to Section 4.3 of the Option Agreement) shall be submitted by

Lessee to Director in accordance with a schedule that facilitates Lessee's completion of the Redevelopment Work on or before the Required Completion Date set forth in Section 5.7 below, taking into consideration the Director's approval periods set forth in Section 5.5.1 below.

5.5 Conditions Precedent to the Commencement of Construction. No construction, alteration or modification by Lessee of any Improvements on the Premises shall be commenced until each and all of the following conditions have been satisfied:

5.5.1: Approval of Final Plans and Specifications. The final plans, detailed construction specifications and construction cost statement described in Section 5.4 for the Improvements have been approved by Director ("Approved Final Plans, Specifications and Costs"), which approval shall not be unreasonably withheld provided that the final plans and specifications reflect a natural progression and logical evolution from the approved preliminary plans and specifications. Director shall have twenty one (21) days within which to approve or disapprove such submission, and Director may disapprove such submission on the grounds that they do not reflect a natural evolution from or that they materially differ from the approved preliminary plans, outline specifications and construction cost estimates. Failure of Director to disapprove said preliminary plans within twenty one (21) days after Director's receipt shall be deemed Director's approval thereof; provided, however, that in the event that the final plans, detailed construction specifications and construction cost statement contain substantial changes from the preliminary plans, outline specifications and construction cost estimates, then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the final plans, detailed construction specifications and construction cost statement, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

"PURSUANT TO SECTION 5.5.1 OF THE AMENDED AND RESTATED LEASE AGREEMENT, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM."

Director's approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved preliminary plans and specifications. No material modification shall be made to the Improvements described in the Approved Final Plans, Specifications and Costs without the prior written approval of Director, which shall not be unreasonably withheld.

5.5.2. Permits and Other Approvals. Lessee shall have received and furnished County with copies of all permits, licenses and other governmental approvals necessary

to construct the Improvements described in the Approved Final Plans, Specifications and Costs. Lessee agrees to apply for all such permits, licenses and other governmental approvals at the earliest commercially reasonable time and thereafter shall use diligent efforts (which shall be deemed to include expenditures of funds, including without limitation application fees, travel, architectural, consulting and lobbying fees, as reasonably necessary to expedite the permit, license or other approval process) to procure such permits, licenses and other approvals at the earliest reasonably possible time.

5.5.3. Copies of Construction Contracts. Lessee shall have furnished County with copies of any contract(s) entered into between Lessee and any general contractor(s) employed for the purpose of constructing the Improvements described in the Approved Final Plans, Specifications and Costs.

5.5.4. Performance and Payment Bonds. Lessee shall, at its own cost and expense, have furnished County with the following separate corporate surety bonds not less than ten business (10) days prior to the commencement of construction, which bonds must be in form and content reasonably satisfactory to County or with other security for the construction of the Improvements as set forth in subsection 5.5.5 below:

5.5.4.1.A corporate surety performance bond ("Performance Bond") issued by a surety company licensed to transact business as such in the State of California, in an amount not less than one hundred percent (100%) of the amount of all hard construction costs approved by County in conjunction with the Approved Final Plans, Specifications and Costs. The Performance Bond and its issuer shall be in all material respects reasonably satisfactory to County. It shall name Lessee as principal and said issuer as surety, and County as obligee, assuring full and satisfactory performance by Lessee of Lessee's obligations herein to build, construct and otherwise complete the Improvements described in the Approved Final Plans, Specifications and Costs.

5.5.4.2.A corporate surety payment bond, issued by a surety company licensed to transact business as such in the State of California, with Lessee as principal, said company as surety and County as obligee, in a sum equal to one hundred percent (100%) of the total construction cost set forth in the Approved Final Plans, Specifications and Costs, guaranteeing payment for all materials, provisions, supplies and equipment used in, upon, for or about the performance of said construction work or for labor done thereon of any kind whatsoever and protecting County from any and all liability, loss or damages arising out of or in connection with any failure to make such payment (the "Payment Bond"). The Payment Bond shall be in form and content reasonably satisfactory to County.

In the event that construction is performed by a licensed general contractor on behalf of Lessee, provided that such contractor provides County with a bond or bonds compliant with this subsection, and in all material respects reasonably satisfactory to County and otherwise complying with this subsection, County will accept such contractor's bonds in lieu of the Performance Bond and/or Payment Bond by Lessee required by this subsection 5.5.4.

5.5.5. Alternative Security. In lieu of providing the Payment and Performance Bonds, Lessee may (i) deposit a Certificate of Deposit with County or post an additional Letter of Credit in favor of County, equal in amount to one hundred percent (100%) of the construction contract price, which may be drawn upon by County to complete the construction of the Improvements if same have not been completed by Lessee or if an Event of Default has occurred under this Lease, or (ii) provide a payment and performance guaranty from an individual or entity acceptable to County and in form and substance acceptable to County, which guaranty shall guaranty (I) the Lessee's obligation to complete the Improvement described in the Approved Final Plans, Specifications and Costs, and (II) the payment for all materials, provisions, supplies and equipment used in, upon, for or about the performance of said construction work and for labor performed in connection therewith. A condition precedent to Lessee's right to provide the alternative security described in this Section 5.5.5 shall be delivery by Lessee to County of an opinion of counsel from a firm and in a form acceptable to County to the effect that the construction of the Improvements does not constitute a public work of improvement requiring the delivery of the bonds described in Section 5.5.4 above.

5.5.6. Evidence of Financing. Lessee shall have provided evidence satisfactory to County of its having sufficient financial resources, as determined by Director, to complete the Improvements as set forth in the Approved Final Plans, Specifications and Costs. Lessee shall furnish Director with copies of all final notes, guarantees, partnership, shareholder or limited liability company agreements, construction loan and/or permanent loan commitments, documents evidencing equity contributions, documents creating and/or perfecting security interests, and all documents and exhibits referred to in any of the foregoing, together with any and all recorded documents affecting an interest in the Premises, within seven (7) days after such document or instrument becomes effective.

5.5.7. Work Schedule. Lessee shall have provided County with a construction schedule reasonably acceptable to Director. Such construction schedule for the Redevelopment Work shall be consistent with the completion of the Redevelopment Work, as set forth in the Approved Final Plans, Specifications and Costs, on or before the Required Completion Date set forth in Section 5.7 below, as such date may be extended as provided in this Article 5.

5.6 County Cooperation. In its proprietary capacity, the Department shall cooperate with and assist Lessee, to the extent reasonably requested by Lessee, in Lessee's efforts to obtain the appropriate governmental approvals, consents, permits or variances which may be required in connection with the performance by Lessee of the Redevelopment Work. Such cooperative efforts may include the Department's joinder in any application for such approval, consent, permit or variance, where joinder therein by the Department is required or helpful; provided, however, that Lessee shall reimburse County for the Actual Cost incurred by the Department in connection with such joinder or cooperative efforts. Notwithstanding the foregoing, Lessee and County acknowledge that the approvals given by County under this Lease are approvals pursuant to its authority under Section 25907 of the California Government Code; that approvals given under this Lease in no way release Lessee from obtaining, at Lessee's expense, all permits, licenses and other approvals required by law for the construction of Improvements on the Premises and operation and other use of such Improvements on the Premises; and that the

Department's duty to cooperate and County's approvals under this Lease do not in any way modify or limit the exercise of County's governmental functions or decisions as distinct from its proprietary functions pursuant to this Lease.

5.7 Construction Schedule.

5.7.1. Substantial Commencement of Construction. It is a condition of this Lease that, except to the extent Lessee is prevented from so doing by the events identified in subsection 5.7.3, Lessee shall cause the Substantial Commencement of Construction of the Redevelopment Work to have occurred in accordance with the Approved Final Plans, Specifications and Costs by the date therefore set forth in the construction schedule approved by Director pursuant to Section 5.5.7 above, and shall substantially complete the Redevelopment Work by not later than the fifth (5th) anniversary after the Effective Date (the "Required Completion Date"). For the purposes of this Lease, "Substantial Commencement" or "Substantial Commencement of Construction" shall mean that all demolition and excavation work required in connection with the Redevelopment Work has been completed and the construction of the new Improvements to be constructed as part of the Redevelopment Work has been commenced. The required date for the Substantial Commencement of Construction and the Required Completion Date will only be extended under the specific circumstances set forth in subsection 5.7.3, and under no other circumstances. Notwithstanding the foregoing, the parties hereto specifically agree that so long as Lessee is otherwise diligently and in good faith attempting to satisfy the condition set forth in the first sentence of this subsection 5.7.1, and as long as it would have been extremely unlikely that any other developer could have caused the subject Improvements to be Substantially Commenced and/or completed within such timeframe, then Lessee will not be in breach of this subsection for its failure to achieve Substantial Commencement by the required date set forth herein or completion of the Redevelopment Work by the Required Completion Date.

5.7.2. After Substantial Commencement. Once construction of the Improvements set forth in the Approved Final Plans, Specifications and Costs has been Substantially Commenced, Lessee shall thereafter diligently pursue the completion of such construction by the Required Completion Date in substantial compliance with the Approved Final Plans, Specifications and Costs. Completion of construction of the Improvements following Substantial Commencement will be extended only under the specific circumstances set forth in subsection 5.7.3 and under no other circumstances.

5.7.3. Extension of Dates. The required date for the Substantial Commencement of Construction and the Required Completion Date shall be extended only for the reasons set forth in this subsection 5.7.3. In the event Lessee has not met the condition set forth in the first sentence of subsection 5.7.1 (subject to the last sentence of subsection 5.7.1 and subject to any extension granted pursuant to this subsection 5.7.3), then at County's option this Lease shall be amended such that the terms and provisions of this Lease revert back to the terms and provisions of the Original Lease (including, without limitation, the Original Term), as modified by the "Non-Exercise Amendment" described in the Option Agreement (the "Reversion Amendment").

5.7.3.1. Injunction by Third Party, Nonregulatory Body. The required date for the Substantial Commencement of Construction shall be extended if the construction of the Improvements is the subject of (i) a then current judicial or administrative action, brought by a person or entity (other than Lessee or any affiliate of Lessee, or the County or the California Coastal Commission acting in their governmental capacity) that appeals or otherwise challenges the previous issuance of Entitlements for the Improvements, or seeks to enjoin, restrain, contest or otherwise limit the right of Lessee to construct the Improvements, or (ii) a temporary restraining order ("TRO") or injunction issued in connection therewith. In such case, the required date for the Substantial Commencement of Construction shall be extended until the dismissal, removal or other resolution of any such action or order, and the lapse of any applicable appeal period. Lessee shall diligently pursue the dismissal, removal or other resolution of any such action, TRO, injunction, judgment or order so issued and shall exhaust all commercially reasonable efforts to appeal any adverse TRO, injunction, judgment or order, and any extension of the required date for the Substantial Commencement of Construction shall be expressly conditioned upon such Lessee diligence. In the event that a permanent injunction, order or settlement prohibiting the construction of the Improvements becomes final and is no longer subject to appeal, then, at County's or Lessee's option, this Lease shall be amended in accordance with the Reversion Amendment.

5.7.3.2. Delay Caused by Unreasonable County Acts. The required date for the Substantial Commencement of Construction shall be extended if Lessee has been delayed in the obtaining of any permits or other approvals necessary for the commencement of construction of the Improvements set forth in the Approved Final Plans, Specifications and Costs due to Unreasonable County Activity. For the purposes of this Lease, the following shall be deemed to be "Unreasonable County Activity": County's failure to provide required joinder, if any, in Lessee's proposals for the Improvements described in the Approved Final Plans, Specifications and Costs before any governmental agency; or, County's failure to take such other actions in its proprietary capacity reasonably requested by Lessee, at no cost or expense to County, which are necessary for Lessee to proceed with the permit/approval process or County's having taken such actions without Lessee's consent which adversely affected Lessee's rights and obligations hereunder, which were unreasonable and which actually delayed the Substantial Commencement of Construction and which action or inaction occurred after the date hereof. Nothing contained in this Section or this Lease shall be construed as obliging County to support proposals, issue permits, or otherwise act in a manner inconsistent with County's actions under its regulatory powers. It shall not be Unreasonable County Activity if County fails to accelerate the County's customary regulatory permit/approval process. An extension shall be available under this subsection only if all of the following procedures have been followed:

(i) Within a reasonable time under the circumstances, but in no event to exceed three (3) days after Lessee's discovery of any alleged Unreasonable County Activity, Lessee must notify Director in writing of the

specific conduct comprising the alleged Unreasonable County Activity, and the next opportunity, if any, for County to rectify such alleged conduct.

(ii) Within seven (7) days following receipt of the notice alleging Unreasonable County Activity, Director shall meet with Lessee or its authorized representative in order to determine whether Unreasonable County Activity has occurred and, if so, how such Unreasonable County Activity can be rectified and the appropriate length of time of any extension pursuant to this subsection. If Director determines that Unreasonable County Activity has occurred and that County can and will take rectifying action, then the extension time shall equal the amount of actual delay directly caused by the Unreasonable County Activity. If Director determines that Unreasonable County Activity has occurred, but that County cannot take rectifying action (or if the proposed rectifying action will not produce the results desired by Lessee), then Lessee and Director shall establish the length of time of any extension based on the actual delay of the permit/approval process likely to be caused by the Unreasonable County Activity.

(iii) If, within fourteen (14) days following receipt of notice alleging Unreasonable County Activity, Director and Lessee have not agreed in writing as to whether or not an extension is appropriate, or if appropriate, the length of any such extension, then the matter shall be referred to binding arbitration in accordance with Article 16 of this Lease. The arbitrator shall be instructed that, if Unreasonable County Activity has occurred, then the standards set forth in subsection (b) above will be applied to determine the length of any extension.

The period of any extension pursuant to this subsection shall be equal to the period of the delay caused by the Unreasonable County Activity.

5.7.3.3. Delay in Obtaining Permits or Approvals. Except as otherwise provided in subsection 5.7.3.5, if as of the required date for the Substantial Commencement of Construction (as it may be extended as provided above), Lessee has not obtained a permit or other approval necessary to the commencement of construction from a regulatory body or agency other than County, or such regulatory body has obtained an injunction preventing the commencement of construction, and such permits, approvals or the removal of such injunction constitute(s) the major remaining impediment to the commencement of construction, then the required date for the Substantial Commencement of Construction shall be extended to thirty (30) days after the date upon which such permit is issued or injunction dissolved, provided that (1) Lessee has exhausted and continues to exhaust all commercially reasonable efforts to obtain such approval or permit or dissolution of such injunction, and (2) such extended required date for the Substantial Commencement of construction shall not be extended for more than two (2) years. If the required date for the Substantial Commencement of construction is so extended, then the Required Completion Date shall be extended by the same number of days that the required

date for the Substantial Commencement of construction was extended. The extension provided by this subsection shall be the only extension available in a situation where such permits and/or approvals have not been issued or such regulatory body or agency has obtained such an injunction.

5.7.3.4. Force Majeure. Notwithstanding any contrary provision hereof, any date by which Lessee is required to satisfy an obligation under this Article 5, including, without limitation, the Substantial Commencement of Construction by the date required herein and the completion of the Redevelopment Work by the Required Completion Date, shall be extended for delays in the ability of Lessee to comply therewith as a result of fire, earthquake, flood, tornado or other casualty, acts of God, civil riots or disturbance, embargo, war, acts of terrorism, industry wide strike or labor dispute or other unforeseeable event reasonably beyond the control of Lessee ("Force Majeure"); provided, however, that Lessee shall commence and complete the portions, if any, of the Improvements not impacted by such delay within the timeframe set forth in this Lease. Lessee and Director shall discuss and attempt to agree on the length of time of any Force Majeure delay. If they are unable to agree within thirty (30) days after the event or occurrence giving rise to Lessee's claim to a Force Majeure delay under this subsection 5.7.3.4, the matter shall be arbitrated as set forth in Article 16. In no event shall any extensions of any dates under this subsection 5.7.3 exceed two (2) years in the aggregate for any or all of the reasons set forth in this subsection 5.7.3.

5.7.3.5. Limitation of Extensions. Notwithstanding the foregoing, Lessee shall not be entitled to any extension under this subsection 5.7.3 unless Lessee had actually been pursuing the process of obtaining all permits, approvals, financing and other items necessary for the Substantial Commencement of Construction with due diligence, and unless all Improvements specified and plans and specifications submitted by Lessee in connection with any such permit, approval, financing or other item substantially conformed to (i) the Approved Final Plans, Specifications and Costs, and (ii) the land use laws and regulations and the Local Coastal Plan existing as of the date of execution of this Lease by Lessee.

5.7.3.6. No Effect on Rent. Notwithstanding anything to the contrary contained in this Lease, no extension, relaxation or modification of the requirement to Substantially Commence construction of the Improvements by the date required hereunder and complete such Improvements by the Required Completion Date, shall relieve Lessee of its obligation to pay County the Annual Minimum Rent, Percentage Rent and other amounts set forth in Article 4 of this Lease.

5.7.4. Failure to Reach Substantial Commencement. Lessee agrees that the primary purpose for County having entered into this Lease is to provide the public with the opportunity to enjoy the Improvements described in the Approved Final Plans, Specifications and Costs at the earliest practicable date. Therefore, it is understood and

agreed that the time periods and requirements for extensions contained in Sections 5.2 through 5.7 shall be strictly enforced and should Lessee, or any party claiming through Lessee, fail to meet the conditions for Substantial Commencement of Construction within the terms of Sections 5.2 through 5.7, then at County's option this Lease shall be amended in accordance with the Reversion Amendment.

5.8 Manner of Construction.

5.8.1. General Construction Standards. All construction, alteration, modification or repairs permitted herein shall be accomplished by Lessee with due diligence. Lessee shall take all reasonable steps to minimize any damage, disruption or inconvenience caused by such work and make adequate provisions for the safety and convenience of all persons affected thereby. Lessee shall repair, at its own cost and expense, any and all damage to areas outside of the Premises caused by such work, and shall restore any such damaged areas to a condition which is at least equal to or better than the condition which existed before such work was commenced. Additionally, Lessee shall pay or cause to be paid all costs and expenses associated therewith and shall indemnify, defend and hold County harmless from and against all damages, costs, expenses, losses or claims arising out of or in connection with the performance of such work, except to the extent that such damages, costs, expenses, losses or claims are caused by County. Dust, noise and other effects of such work shall be controlled using accepted measures customarily utilized in order to control such deleterious effects associated with construction projects in well populated and developed areas of southern California.

5.8.2. Utility Work. Any work performed by or on behalf of Lessee or any occupant of the Premises to connect to, repair, relocate, maintain or install any storm drain, sanitary sewer, water line, gas line, telephone conduit, or any other utility service shall be performed in a manner that minimizes interference with the provision of such services to the Premises and other persons.

5.8.3. Construction Safeguards. Lessee shall erect and properly maintain at all times, as required by the conditions and the progress of work performed by or on behalf of Lessee, all necessary safeguards for the protection of workers and the public.

5.8.4. Compliance with Construction Documents and Laws; Issuance of Permits. All Improvements on the Premises shall be completed in substantial compliance with any construction documents approved by County and also in compliance with all applicable local, state and federal laws and regulations. Lessee shall have the sole responsibility for obtaining all necessary permits and shall make application for such permits directly to the person or governmental agency having jurisdiction thereover.

5.8.5. Notice to Director; Damage to County Improvements. Lessee further agrees to keep Director apprised of the progress of the work to the end that Director may timely inspect the Premises to assure proper safeguarding of any County-owned improvements existing on or around the Premises, including but not limited to seawalls, underground conduits and utility lines. If any such County-owned improvement is damaged in connection with said construction activity, Lessee agrees to repair such

damage immediately at no cost or expense to County or, in the event that Lessee fails to effectuate such repair within five (5) business days after written notice from County (or such longer period as may be reasonably required to complete such repair so long as Lessee commences such repair within five (5) business days and thereafter diligently prosecutes same to completion), County may enter upon the Premises to make such repairs, the Actual Cost of which shall be paid by Lessee within two (2) business days after demand by County.

5.8.6. Rights of Access. Representatives of the Department of Beaches and Harbors of the County shall, upon reasonable notice and at reasonable times, have the right of reasonable access to the Premises and the Improvements thereon without charges or fees, but at no cost or expense to Lessee, for the purpose of ascertaining compliance with the terms and conditions of this Lease, including but not limited to the inspection of the construction work being performed. Such access shall be reasonably calculated to minimize interference with Lessee's construction and/or operations. Lessee shall have the right to have a representative present to accompany the representatives of the Department of Beaches and Harbors of the County in connection with such access. In the event of any emergency which is life-threatening or which involves the threat of potential substantial damage, County shall have the right to enter the Premises immediately and without notice to or accompaniment by Lessee.

5.8.7. Notice of Completion. Upon completion of the Improvements, as set forth in the Approved Final Plans, Specifications and Costs, Lessee shall file or cause to be filed in the Official Records of the County of Los Angeles a Notice of Completion (the "Notice of Completion") with respect to such Improvements and Lessee shall deliver to County, at no cost to County, two (2) sets of conoflex or mylar final as-built plans and specifications of such Improvements.

5.9 Use of Plans. Contracts between Lessee and any architect, design professional or licensed contractor in connection with the construction, alteration or modification of Improvements on the Premises shall provide, in form and content reasonably satisfactory to County, for the assignment thereof to County as security to County for Lessee's performance hereunder, and County shall be furnished with a copy of any such contract, together with the further agreement of the parties thereto, that if this Lease is terminated by County due to Lessee's default, County may, at its election, use any plans and specifications created by such architect, design professional or contractor in connection with the contract, upon the payment of any sums due to any party thereto. County's right to elect to use plans and specifications as described above shall not include the unauthorized right to use any trade marks, trade names or logos of Lessee or any such architect, design professional or contractor.

5.10 Additional Construction. Lessee may, at its own expense, make or construct, or cause to be made or constructed, Improvements during the Term in addition to the Redevelopment Work, including such alterations, modifications or changes to Improvements as Lessee may desire; provided, however, that all such additional Improvements, and all alterations, modifications or changes to Improvements shall be (i) consistent with, and within the scope of, the Permitted Uses set forth in Article 3, (ii) first approved in writing by the Director, except as otherwise provided in Section 5.11 below, which approval shall not be unreasonably withheld,

conditioned or delayed, and (iii) made in accordance and compliance with all terms and provisions set forth in Sections 5.2 through 5.5 (other than as provided in Section 5.11), and Sections 5.8, 5.9 and 5.12. Lessee acknowledges that, except to the extent set forth in a prior written approval or agreement by Director or County, Director may refuse permission for the construction of any proposed Improvement, addition, alteration, modification or change, and such decision, if reasonable, will be final and binding upon Lessee. Lessee acknowledges that such proposed Improvement, addition, alteration, modification or change will also be subject to other governmental requirements and conditions, including those of the California Coastal Commission and other governmental authorities that may have jurisdiction.

5.11 Where Director Approval Not Required. Notwithstanding the foregoing, and notwithstanding anything to the contrary in this Article 5, Lessee shall not be required to seek or obtain the approvals of Director described in this Article 5 (including those set forth in Sections 5.2 through 5.5) where all of the following conditions are satisfied: (1) none of the proposed construction activity is structural in nature; (2) none of the proposed construction, additions, modifications or changes affect or are visible from the exterior of the Premises; (3) the proposed construction, additions, modifications or changes will not lessen the value of the Improvements; and (4) the Improvements will remain in compliance with the Permitted Uses; provided, however, that whenever Lessee makes or constructs or permits any Improvements in or to the Premises, Lessee shall (i) give written notice thereof (including a description of the work to be done and the permits obtained for such work), and (ii) furnish a copy of "as-built" plans upon completion of such work to County.

5.12 Protection of County. Nothing in this Lease shall be construed as constituting the consent of County, express or implied, to the performance of any labor or the furnishing of any materials or any specific Improvements, alterations or repairs to the Premises of any part thereof by any contractor, subcontractor, laborer or materialman, nor as giving Lessee or any other person any right, power or authority to act as agent of or to contract for, or permit the rendering of, any services, or the furnishing of any materials, in any such manner as would give rise to the filing of mechanics' liens or other claims against the Premises or County.

5.12.1. Posting Notices. County shall have the right at all reasonable times and places to post and, as appropriate, keep posted, on the Premises any notices which County may deem necessary for the protection of County, the Premises and the Improvements thereon from mechanics' liens or other claims. Lessee shall give County at least ten (10) business days prior written notice of the commencement of any work to be done on the Premises, in order to enable County timely to post such notices.

5.12.2. Prompt Payment. Lessee shall make, or cause to be made, prompt payment of all monies due and owing to all persons doing any work or furnishing any materials or supplies to Lessee or any of its contractors or subcontractors in connection with the Premises and the Improvements thereon. Lessee shall have the right to contest any such amount; provided, however, the entire expense of any such contest (including interest and penalties which may accrue) shall be the responsibility of Lessee.

5.12.3. Liens; Indemnity. Subject to Lessee's rights to contest the same prior to payment, Lessee shall keep the Premises and any Improvements thereon free and clear of

all mechanics' liens and other liens arising out of or in connection with work done for Lessee and/or any parties claiming through Lessee. Lessee agrees to and shall indemnify, defend and hold County harmless from and against any claim, liability, loss, damages, costs, expenses, attorneys' fees incurred in defending and all other expenses on account of claims of lien(s) of laborers or materialmen or others for work performed or materials or supplies furnished to Lessee or persons claiming under it.

In the event any lien is recorded, Lessee shall, within five (5) business days after demand, furnish the bond described in California Civil Code Section 3143, or successor statute, which results in the removal of such lien from the Premises, together with any other evidence requested by County to evidence that such claim will be paid, removed or discharged as a claim against the Premises and/or County.

5.13 Capital Improvement Fund. Commencing with the first calendar month following the third (3rd) anniversary of the Completion Date and continuing through the end of the Term, Lessee shall establish and maintain a reserve fund (the "Capital Improvement Fund") in accordance with the provisions of this Section 5.13 for the cost of capital renovations to the Premises and Improvements, other than the Anchorage Improvements. Lessee and County agree and acknowledge that the purpose of the Capital Improvement Fund shall be to provide funds for the ongoing revitalization of the Improvements on the Premises through the replacement, renovation, rehabilitation, upgrading, addition and installation of physical Improvements to the Premises after the completion of the Redevelopment Work. The Capital Improvement Fund shall be used only for Permitted Capital Expenditures. "Permitted Capital Expenditures" shall mean expenditures by Lessee for an addition, replacement, renovation or significant upgrade of or to the buildings on the Premises, including building exteriors or major building systems (such as HVAC, mechanical, electrical, plumbing, vertical transportation, security, communications, structural or roof), that significantly increase the capacity, efficiency, useful life or economy of operation of the buildings or their major systems, as applicable. Permitted Capital Expenditures do not include periodic, recurring or ordinary expenditures, repairs or replacements that keep the Improvements in an orderly efficient operating condition, but that do not significantly add to their value or appreciably prolong their useful life good. Permitted Capital Expenditures must be for items that are considered capital replacements, improvements and equipment under generally accepted accounting principles, consistently applied. All purposes and costs for which Lessee desires to utilize amounts from the Capital Improvement Fund shall be subject to Director's approval, which approval shall not be unreasonably withheld. Notwithstanding any contrary provision hereof, no portion of the Capital Improvement Fund shall be used for the Redevelopment Work, the Renovation Requirement described in Section 5.15 below, or for any Anchorage Improvement purposes, including without limitation, the Anchorage Improvements replacement work described in Section 5.14 below.

The Capital Improvement Fund shall be an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this Section 5.13. The amounts to be added to the Capital Improvement Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this Section 5.13. Lessee shall

commence deposits to the Capital Improvement Fund on the first calendar month following the third (3rd) anniversary of the Completion Date. The Capital Improvement Fund deposits shall be made on or before the fifteenth (15th) day of each calendar month based on Gross Receipts for the immediately preceding month. During the first two years that Lessee is required to make Capital Improvement Fund deposits, each monthly deposit shall be an amount equal to one percent (1.0%) of Gross Receipts for the preceding calendar month. During the next five (5) years, each monthly deposit shall be an amount equal to one and one quarter percent (1.25%) of Gross Receipts for the preceding calendar month. Thereafter, and continuing during the remaining Term of the Lease, each monthly deposit shall be an amount equal to one and one half percent (1.50%) of Gross Receipts for the preceding calendar month. All interest and earnings on the Capital Improvement Fund shall be added to the Capital Improvement Fund and held in accordance with the provisions of this Section 5.13, but shall not be treated as a credit against the Capital Improvement Fund deposits required to be made by Lessee pursuant to this Section 5.13.

Disbursements shall be made from the Capital Improvement Fund only for costs which have been approved by Director and which satisfy the requirements of this Section 5.13. If Lessee desires to obtain advance approval from Director for Capital Improvement Fund disbursements on an annual basis, Lessee shall have the right to submit to Director on an annual basis a renovation plan for the upcoming year which details the amount and purpose of anticipated Capital Improvement Fund expenditures for which Lessee requests Director's advance approval, which approval shall not be unreasonably withheld. Any anticipated expenditure set forth in such renovation plan which is approved by Director as an acceptable Capital Improvement Fund disbursement shall be considered pre-approved by Director (but only up to the amount of such expenditure set forth in the annual renovation plan) for the duration of the upcoming year. Lessee shall have the right during the course of each year to submit to Director for Director's approval revisions to the then current renovation plan in effect for such year or individual expenditures not noted on any previously approved renovation plan for such year. Prior to the disbursement of any amounts from the Capital Improvement Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Capital Improvement Fund. Funds in the Capital Improvement Fund must be used for Permitted Capital Expenditures from time to time during the Term of the Lease.

5.14 As of the date that is ten (10) years prior to the expiration of the Term of the Lease, all (or substantially all) of the amounts required to have been deposited in the Capital Improvement Fund prior to such date shall have been expended for Permitted Capital Expenditures. Capital Improvement Fund deposits made after such date shall continue to be used for Permitted Capital Expenditure purposes under this Section 5.13; provided, however, if County elects to have Lessee remove the Improvements from the Premises at the end of the Term pursuant to subsection 2.4.2 of this Lease, then Lessee shall thereafter have the right to apply future deposits under this Section 5.13 to fund the security required for such removal costs as provided in subsection 2.4.2 if and to the extent that deposits under this Section 5.13 are not thereafter required for Capital Improvement Fund purposes.

5.15 Replacement of Anchorage Facilities. During the period between the thirtieth (30th) and thirty-fifth (35th) anniversaries of the Effective Date, Lessee shall commence and complete the replacement, at Lessee's cost, of all of the Anchorage Improvements with new

Anchorage Improvements. The new Anchorage Improvements shall be of a first-class and state of the art quality as of the date of such replacement, and shall comply with (i) the then most recent edition of Policy Statement No. 25 and the Specifications and Minimum Standards of Architectural Treatment and Construction for Marina del Rey, as modified by County or the Department from time to time in a manner consistent with commercially reasonable standards applicable to other comparable commercial projects and marina facilities in Marina del Rey (or such similar successor policy statement or publication then in effect), (ii) the then most recent edition of Layout and Design Guidelines for Small Craft Facilities issued by the California Department of Boating and Waterways (or such similar successor publication then in effect), and (iii) design memoranda as provided by the Harbor Engineer of the Los Angeles County Department of Beaches and Harbors. The construction of such replacement Anchorage Improvements shall be performed in accordance with and be subject to the requirements imposed upon Lessee under this Article 5 with respect to the making of Alterations.

5.15 Renovation Requirement. During the period between September 1, 2034 and August 31, 2036, Lessee shall be required to complete a renovation of the Improvements (the "Renovation Requirement"). The Renovation Requirement shall consist of such renovation and construction work as necessary in the reasonable judgment of Director to reposition the Improvements to a condition and appearance at least equal to other then-existing commercial projects in Marina del Rey (taking into consideration renovations then being made or required to be made within three (3) years thereafter by other lessees). The Renovation Requirement shall not pertain to the Anchorage Improvements that are required to be replaced pursuant to Section 5.14 above. Substantial Commencement of Construction of the Renovation Requirement shall occur not earlier than September 1, 2034 and the Renovation Requirement shall be completed not later than August 31, 2036.

Prior to the commencement of the Renovation Requirement, Lessee shall submit to Director a renovation plan ("Renovation Plan"), which renovation plan shall (a) describe the proposed renovation work in such detail as reasonably acceptable to Director, (b) include a design, governmental approval and construction schedule for the work described therein, (c) include a budget for all work costs, and (d) address such other matters as Director reasonably requests. The Renovation Plan shall be submitted by Lessee to County not later than such date as, taking into consideration the approval periods described in this Section 5.15 and Sections 5.2 through 5.5 above, the estimated time required to obtain all necessary governmental approvals and permits, and the estimated time required to complete the work, will permit the completion by Lessee of the Renovation Requirement by not later than August 31, 2036. Director shall have sixty (60) days within which to reasonably approve or disapprove the Renovation Plan, or to approve the Renovation Plan subject to conditions imposed by Director in its reasonable judgment. Failure of Director to notify Lessee in writing of its approval or disapproval of the Renovation Plan shall be deemed Director's disapproval of the Renovation Plan. Upon Director's approval of the Renovation Plan, Lessee shall proceed to satisfy all conditions in this Article 5 to the commencement of the Renovation Requirement and to commence and complete the Renovation Requirement in accordance with the Renovation Plan and the terms and conditions of this Article 5. Director's approval of the actual plans and specifications for the Renovation Requirement shall proceed in accordance with the protocol for plan submission and approval set forth in Sections 5.2 through 5.5 of this Lease, except that the schematic plan submittal requirements set forth in Section 5.2 shall not be applicable to the extent that the

Renovation Plan approved by Director satisfies the requirements of such Section 5.2.

Lessee's failure to comply with the schedule approved by Director as part of the Renovation Plan and/or to meet the construction commencement and completion deadlines pertaining to the Renovation Requirement set forth in this Section 5.15 shall, if not cured within the cure period set forth in subsection 13.1.2, constitute an Event of Default. Any dispute as to whether Director has failed to exercise reasonable judgment in the approval or disapproval of the Renovation Plan shall be submitted to arbitration pursuant to Article 16 of this Lease. If the arbitrator determines that Director failed to exercise reasonable judgment in the approval or disapproval of the Renovation Plan and as a result thereof Lessee is delayed in the completion of the Renovation Requirement by the required completion date set forth in the first paragraph of this Section 5.15, then the required date for the completion of such Renovation Requirement shall be extended by the duration of the delay caused by Director's failure to reasonably approve the Renovation Plan, provided that the required date for the completion of the Renovation Requirement shall not be extended beyond the date reasonably required for the completion by Lessee of the Renovation Requirement.

Commencing with the month following the month during which the Completion Date occurs, and continuing each month thereafter until the Substantial Commencement of Construction of the Renovation Requirement (but at least through the month of August, 2034), Lessee shall establish and make monthly deposits to a reserve fund (the "Renovation Fund") in accordance with the provisions of this Section 5.15 for the purpose of funding a portion of the cost of the Renovation Requirement. Renovation Fund deposits shall be made on or before the fifteenth (15th) day of each calendar month in an amount equal to one percent (1%) of the Gross Receipts for the immediately preceding month. All interest and earnings on the Renovation Fund shall be added to the Renovation Fund and held in accordance with the provisions of this Section 5.15, but shall not be treated as a credit against the Renovation Fund deposits required to be made by Lessee pursuant to this Section 5.15. The Renovation Fund shall be held in an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this Section 5.15. The amounts to be deposited into the Renovation Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this Section 5.15. Lessee shall have the right to fund or replace amounts deposited in the Renovation Fund with a letter(s) of credit in form and issued by an institutional issuer reasonably satisfactory to Director.

Disbursements shall be made from the Renovation Fund only for costs which have been approved by Director and which satisfy the requirements of this Section 5.15. Prior to the disbursement of any amounts from the Renovation Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Renovation Fund. Director shall have no obligation to approve the disbursement of amounts from the Renovation Fund unless and until Director has approved Lessee's Renovation Plan and Lessee has furnished to Director evidence reasonably satisfactory to Director that Lessee has sufficient financial resources to pay for all costs of the Renovation Requirement.

6. CONDEMNATION.

6.1 Definitions.

6.1.1. Condemnation. "Condemnation" means (1) the exercise by any governmental entity of the power of eminent domain, whether by legal proceedings or otherwise, and (2) a voluntary sale or transfer to any Condemnor (as hereafter defined), either under threat of Condemnation or while legal proceedings for Condemnation are pending.

6.1.2. Date of Taking. "Date of Taking" means the date the Condemnor has the right to possession of the Premises being condemned.

6.1.3. Award. "Award" means all compensation, sums or anything of value awarded, paid or received from a total or partial Condemnation.

6.1.4. Condemnor. "Condemnor" means any public or quasi-public authority, or private corporation or individual, having the power of eminent domain.

6.2 Parties' Rights and Obligations to be Governed by Lease. If, during the Term of this Lease, there is any taking of all or any part of the Premises, any Improvements on the Premises or any interest in this Lease by Condemnation, the rights and obligations of the parties shall be determined pursuant to the provisions of this Article 6.

6.3 Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the Date of Taking.

6.4 Effect of Partial Taking. If a portion of the Premises or the Improvements thereon are taken by Condemnation, this Lease shall remain in effect, except that Lessee may elect to terminate this Lease if the remaining portion of the Premises are rendered unsuitable (as defined herein) for Lessee's continued use for the purposes contemplated by this Lease. The remaining portion of the Premises shall be deemed unsuitable for Lessee's continued use if, following a reasonable amount of reconstruction (to the extent that funds therefor are available from the anticipated Award), Lessee's business on the Premises could not be operated at an economically feasible level. Lessee must exercise its right to terminate by giving County written notice of its election within ninety (90) days after the nature and extent of the taking and the probable amount of compensation have been determined. Such notice shall also specify the date of termination, which shall not be prior to the Date of Taking. Failure to properly exercise the election provided for in this Section 6.4 will result in this Lease's continuing in full force and effect, except that Annual Minimum Rent shall be abated pursuant to Section 6.5, below.

In the event that Lessee does not elect to terminate this Lease as provided above, then Lessee, whether or not the Awards or payments, if any, on account of such taking shall be sufficient for the purpose, shall, at its sole cost and expense, within a reasonable period of time, commence and complete restoration of the remainder of the Premises as nearly as possible to its value, condition and character immediately prior to such taking, taking into account, however, any necessary reduction in size or other change resulting from the taking; provided, however,

that in case of a taking for temporary use, Lessee shall not be required to effect restoration until such taking is terminated.

6.5 Effect of Partial Taking on Rent. If any portion of the Premises is taken by Condemnation and this Lease remains in full force and effect as to the portion of the Premises not so taken (a "Partial Taking"), the Annual Minimum Rent shall be reduced as of the date of the Partial Taking to an amount equal to the Annual Minimum Rent multiplied by the ratio of the fair market value of the portion of the Premises not so taken to the fair market value of the entire Premises immediately prior to the Partial Taking, but without regard to any diminution in value resulting from the imminent taking. Upon the next Annual Minimum Rent Adjustment Date, as described in Section 4.3 above, if any, for the purposes of adjusting the Annual Minimum Rent, all Annual Minimum Rent and Percentage Rent paid by Lessee to County prior to the date of the Partial Taking shall be adjusted, for the purposes of this calculation only, to the proportion that the fair market value of the portion of the Premises taken bears to the fair market value of the entire Premises immediately prior to the taking. If the parties cannot agree upon the appropriate Annual Minimum Rent, the matter shall be settled through arbitration in the manner set forth in Article 16 hereof. Any determinations of fair market value made pursuant to this Section 6.5 in connection with any arbitration proceeding shall be predicated upon the "income approach" or "income capitalization approach" to property valuation, as defined in The Dictionary of Real Estate Appraisal and/or The Appraisal of Real Estate, published by the Appraisal Institute or any successor organization (the "Income Approach"). All other obligations of Lessee under this Lease, including but not limited to the obligation to pay Percentage Rent, shall remain in full force and effect.

6.6 Waiver of Code of Civil Procedure Section 1265.130. Each party waives the provisions of Code of Civil Procedure Section 1265.130 allowing either party to petition the Superior Court to terminate this Lease in the event of a Partial Taking of the Premises.

6.7 Payment of Award. Awards and other payments on account of a taking, less costs, fees and expenses incurred in the collection thereof ("Net Awards and Payments"), shall be applied as follows:

6.7.1. Partial Taking Without Termination. Net Awards and Payments received on account of a Taking other than a total Taking or a Partial Taking which results in termination hereof or a taking for temporary use shall be held by County and shall be paid out to Lessee or Lessee's designee(s), in progress payments, to pay the cost of restoration of the Premises. The balance, if any, shall be divided between County and Lessee pro rata, as nearly as practicable, based upon (1) the then value of County's interest in the Premises (including its interest hereunder) and (2) the then value of Lessee's interest in the remainder of the Term of this Lease including bonus value (for such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4). Any determinations of fair market value made pursuant to this Section 6.5 shall be predicated upon the Income Approach.

In case of a taking other than a total taking or a taking for temporary use, Lessee shall furnish to County evidence satisfactory to County of the total cost of the restoration required by Section 6.4.

6.7.2. Taking For Temporary Use. Net Awards and Payments received on account of a taking for temporary use shall be paid to Lessee; provided, however, that if any portion of any such award or payment is paid by the Condemnor by reason of any damage to or destruction of the Improvements, such portion shall be held and applied as provided in the first sentence of Section 6.7, above.

6.7.3. Total Taking and Partial Taking with Termination. Net Awards and Payments received on account of a total taking or a Partial Taking which results in the termination of this Lease shall be allocated in the following order:

First: There shall be paid to County an amount equal to the greater of (a) the sum of (1) the present value of all Annual Minimum Rent, Percentage Rent and other sums which would become due through the expiration of the Term if it were not for the taking less, in the event of a Partial Taking, an amount equal to the present value of the fair rental value of the portion of the Premises (with the Improvements thereon) not subject to the Partial Taking, from the date of the Partial Taking through the expiration of the Term and (2) the present value of the portion of the Premises (with the Improvements thereon) subject to the taking from and after the expiration of the Term or (b) in the event of a Partial Taking, the present value of the fair market rental value of the portion of the Premises (with the Improvements thereon) subject to the Partial Taking, from and after the expiration of the Term.

Second: There shall be paid to any Encumbrance Holder an amount equal to the sum of any unpaid principal amount of any Encumbrance secured by the Premises plus costs, expenses, and other sums due pursuant the loan documents, if any, and any interest accrued thereon, all as of the date on which such payment is made; and then

Third: There shall be paid to Lessee an amount equal to the value of Lessee's interest in the remainder of the Term of this Lease, including the value of the ownership interest in and use of the Improvements constructed on the Premises, determined as of the date of such taking, less payments made under paragraph Second above. For such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4.

Fourth: The balance shall be paid to County.

6.7.4. Disputes. Any dispute under Article 6 concerning the fair market value of the Premises or any portion thereof, computation of present value or the determination of the amount of Annual Minimum Rent or Percentage Rent or other sums which would have become due over the Term of this Lease which are not resolved by the parties, shall be submitted to arbitration pursuant to Article 16 of this Lease. Such valuations, computations and determinations of value shall be made utilizing the Income Approach.

7. SECURITY DEPOSIT.

7.1 Amount and Use. Concurrent with the execution of this Lease, Lessee shall deliver to County, in the form of a cashier's check, wire transfer of immediately available funds, certificate of deposit or irrevocable letter of credit ("Letter of Credit") acceptable to County with

respect to form, content and issuer, a security deposit in an amount which represents three (3) times the current Monthly Minimum Rent (the "Security Deposit"). Within thirty (30) days after any adjustment of the Monthly Minimum Rent, the Security Deposit shall be increased by Lessee or may be reduced such that it at all times (other than during said thirty (30) day period) is equal to three (3) times the current Monthly Minimum Rent. The Security Deposit shall secure Lessee's obligations pursuant to this Lease, and may be drawn on by County, in whole or in part, to cover delinquent rent not paid by Lessee within any applicable notice and cure period and any other Events of Default of Lessee under this Lease. The Security Deposit shall be applied at the discretion of County. As long as no Event of Default by Lessee exists under the Lease, Lessee shall be entitled to any interest or other earnings which are actually earned on any unapplied portions of the Security Deposit delivered to County in the form of a certificate of deposit or other approved investment instrument (as opposed to cash or a Letter of Credit, on which Lessee shall not be entitled to interest). Provided that no Event of Default then exists under the Lease, at the end of each Lease Year Lessee shall be entitled to a credit for all interest accruing to Lessee's benefit with respect to the Security Deposit during such Lease Year pursuant to the immediately preceding sentence. Notwithstanding any contrary provision hereof, County shall have the right at any time to apply any accrued but uncredited interest (which accrued during non-Event of Default periods) against delinquent rents and other amounts owed by Lessee under the Lease.

7.2 Replacement. In the event that some or all of the Security Deposit is drawn against by County and applied against any delinquent rent not paid by Lessee within any applicable notice or cure period, or against other Events of Default of Lessee hereunder, Lessee shall, within five (5) days after receipt of written notice of the amount so applied and the reasons for such application, deposit sufficient additional funds with County, or cause the issuer of the Letter of Credit to reinstate the Letter of Credit to its full face amount, so that at all times that this Lease is in effect (other than between the date of the application of funds by County and the expiration of said five (5) day period), the full amount of the Security Deposit shall be available to County. Failure to maintain and replenish the Security Deposit, if not cured within the time period set forth in subsection 13.1.3, shall constitute an Event of Default hereunder.

7.3 Renewal. Any Letter of Credit procured by Lessee and delivered to County shall provide for notice to County by the issuer thereof no less than sixty (60) days prior to the expiration of the term of such Letter of Credit in the event that the issuer thereof is not irrevocably committed to renew the term of such Letter of Credit. In the event that, thirty (30) days prior to the expiration of such Letter of Credit, Lessee has not provided County with satisfactory evidence of its renewal or replacement, or has not provided County with adequate replacement security, County may draw down upon the Letter of Credit and hold the funds as security for Lessee's obligations as set forth in this Lease and may apply the funds to cover delinquent rent not paid by Lessee within any applicable notice and cure period and/or any other Event of Default of Lessee under this Lease.

8. INDEMNITY.

Except to the extent caused by the gross negligence or willful misconduct of any such indemnitee, Lessee shall at all times relieve, defend, indemnify, protect, and save harmless County and its respective Boards, officers, agents, consultants, counsel, employees and volunteers from any and all claims, costs, losses, expenses or liability, including expenses and

reasonable attorneys' fees incurred in defending against the same by an attorney selected by Lessee and reasonably satisfactory to County, for the death of or injury to persons or damage to property, including property owned or controlled by or in the possession of County or any of its Board, officers, agents, employees or volunteers, to the extent that such arises from or is caused by (a) the operation, maintenance, use, or occupation of the Premises by Lessee or its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, (b) the acts, omissions, or negligence of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, or (c) the failure of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees to observe and abide by any of the terms or conditions of this Lease or any applicable law, ordinance, rule, or regulation. The obligation of Lessee to so relieve, indemnify, protect, and save harmless County and each of its respective Boards, officers, agents, consultants, counsel, employees and volunteers, shall continue during any periods of occupancy or of holding over by Lessee, Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, beyond the expiration of the Term or other termination of this Lease.

9. INSURANCE.

9.1 Lessee's Insurance. Without limiting Lessee's indemnification of County, during the Term of this Lease Lessee shall provide and maintain the following insurance issued by companies authorized to transact business in the State of California by the Insurance Commissioner and having a "general policyholders rating" of at least A-VII (or such higher rating as may be required by an Encumbrance Holder) as set forth in the most current issue of "A.M. Best's Key Rating Guide" or an equivalent rating from another industry-accepted rating agency.

9.1.1 General Liability insurance (written on ISO policy form CG 00 01 or its equivalent) and endorsed to name County as an additional insured, with limits of not less than the following:

General Aggregate:	\$20 million
Products/Completed Operations Aggregate:	\$20 million
Personal and Advertising Injury:	\$ 10 million
Each Occurrence:	\$ 10 million

Lessee may satisfy the above coverage limits with a combination of primary coverage and excess liability/umbrella coverage as long as (a) Lessee's primary coverage is at least One Million Dollars (\$1,000,000) per occurrence, One Million Dollars (\$1,000,000) annual aggregate, (b) the excess liability/umbrella coverage is for an aggregate limit of at least Fifty Million Dollars (\$50,000,000), which limits may, at Lessee's election, be carried in the form of two separate policies, (c) the primary coverage and all excess liability/umbrella coverages are issued by the same insurer and such insurer is reasonably satisfactory to County, and (d) the combination of such primary coverage and excess liability/umbrella coverage

provides County with at least the same protection in all respects as if Lessee had carried primary coverage for the entire limits listed above in this Section 9.1.1 and in accordance with the other terms and provisions set forth herein applicable to such coverage.

9.1.2 Automobile Liability insurance (written on ISO form CA 00 01 or its equivalent) with a limit of liability of not less than \$2 million for each accident and providing coverage for all "owned", "hired" and "non-owned" vehicles, or coverage for "any auto." Lessee also shall provide Garagekeeper's Legal Liability coverage, (written on ISO form CA 99 37 or its equivalent) with limits of not less than \$3 million for this location.

9.1.3 Workers Compensation and Employers' Liability insurance providing workers compensation benefits, as required by the Labor Code of the State of California and for which Lessee is responsible, and including Employers' Liability coverage with limits of not less than the following:

Each Accident:	\$1 million
Disease - policy limit:	\$1 million
Disease - each employee:	\$1 million

9.1.4 Commercial Property insurance covering damage to the Premises, including improvements and betterments, from perils covered by the Causes-of-Loss Special Form (ISO form CP 10 30), excluding earthquake, and including Ordinance or Law Coverage, written for the full replacement value of the property, with a deductible no greater than \$250,000 or 5% of the property value, which ever is less, and also including business interruption, including loss of rent, equal to two (2) years annual rent, with proceeds payable to Lessee and County as their interests may appear and utilized for repair and restoration of the Premises and Improvements.

9.1.5 For construction projects, including any Alterations or restoration, on the Premises, Lessee or Lessee's contractor will provide the following insurance (County reserves the right to determine the coverage and coverage limit required on a project by project basis.):

9.1.5.1 Builder's Risk Course of Construction to insure against damage from perils covered by the Causes-of-Loss Special Form (ISO form CP 10 30). This insurance shall be endorsed to include ordinance or law coverage, coverage for temporary offsite storage, debris removal, pollutant cleanup and removal, testing, preservation of property, excavation costs, landscaping, shrubs and plants and full collapse coverage during construction (without restricting collapse coverage to specified perils. This insurance shall be written on a completed-value basis and cover the entire value of the construction project, including County

furnished materials and equipment, against loss or damage until completion and acceptance by Lessee.

9.1.5.2 General Liability. Such insurance shall be written on ISO policy form CG 00 01 or its equivalent with limits as required by the County for the Alterations. The products/completed operations coverage shall continue to be maintained for a period to be determined by the County from the date the Alterations are completed and accepted by the Lessee.

9.1.5.3 Automobile Liability. Such coverage shall be written on ISO policy form CA 00 01 or its equivalent with a limit of liability as required by the County for the Alterations. Such insurance shall include coverage for all "owned," "hired" and "non-owned" automobiles, or coverage for "any auto."

9.1.5.4 Professional Liability. Such insurance shall cover liability arising from any error, omission, negligent or wrongful act of the contractor and/or licensed professional (i.e. architects, engineers, surveyors, etc.) with limits as required by the County for the Alterations. This coverage shall also provide an extended two-year reporting period commencing upon termination or cancellation of the construction project.

9.1.5.5 Asbestos Liability or Contractors Pollution Liability insurance, if construction requires remediation of asbestos or pollutants. Such insurance shall cover liability for personal injury and property damage arising from the release, discharge, escape, dispersal or emission of asbestos or pollutants, whether gradual or sudden, and include coverage for the costs and expenses associated with voluntary clean-up, testing, monitoring and treatment of asbestos in compliance with governmental mandate or requests. If the asbestos or pollutant will be removed from the construction site, asbestos or pollution liability is also required under the contractor's or subcontractor's Automobile Liability Insurance. Contractor shall maintain limits as required by the County for the Alterations.

9.1.6 If the use of the Premises or Improvements involves any manufacture, distribution or service of alcoholic beverages, Liquor Liability insurance (written on ISO policy form CG 00 33 or 34 or their equivalent) with a liability limit of not less than Five Million Dollars (\$5,000,000) per occurrence and an annual aggregate of Ten Million Dollars (\$10,000,000). If written on a claims made form, the coverage shall also provide an extended two-year reporting period commencing upon the termination or cancellation of the Lease.

9.2 Provisions Pertaining to Property Insurance. The insurance coverage required in Sections 9.1.4 and 9.1.5.1 shall name the County as an additional insured and any Encumbrance Holder as loss payee. Subject to Section 12.8, upon the occurrence of any loss, the proceeds of property and builder's risk insurance shall be held by County in trust for the named insureds as their interests appear, and shall be disbursed by County on a monthly basis to pay for work completed in accordance with then-prevailing industry custom and practice; provided, however, that if the insurance proceeds received with respect to a loss are less than \$500,000 (as adjusted

to reflect any increase in the ENR Index during the period from the Effective Date through the date of the loss), the Encumbrance Holder shall have the right to hold and disburse such proceeds to pay the renovation and repair of Improvements in accordance with the terms of the loan agreement or deed of trust with Lessee's Encumbrance Holder. In the event of a loss, Lessee shall be obligated to rebuild or replace the destroyed or damaged buildings, structures, equipment, and Improvements, in accordance with the procedures set forth hereinabove for the initial construction, except as otherwise provided in Article 11 hereof. Subject to Section 12.8, any surplus or proceeds after said rebuilding or replacement shall be distributed to Lessee.

9.3 General Insurance Requirements. Subject to the immediately following grammatical paragraph, a duplicate policy or policies (or certificates of insurance) evidencing the insurance coverage required under this Article 9, in such form as shall be reasonably acceptable to County, shall be filed with Director no later than the Effective Date, provided that the evidence of the insurance coverage required under Section 9.1.5 shall be required to be delivered by Lessee prior to the commencement of any Alterations. All certificates of insurance shall (a) specifically identify the Lease; (b) clearly evidence all coverages required under the Lease; (c) identify any deductibles or self-insured retentions exceeding \$25,000; and (d) evidence all other requirements under this Article 9. The policy or policies of insurance shall provide that such insurance coverage will not be canceled or reduced without at least thirty (30) days prior written notice to Director or ten (10) business days in case of cancellation for failure to pay the premium. At least ten (10) business days prior to the expiration of such policy, a certificate showing that such insurance coverage has been renewed shall be obtained by Lessee and filed with Director.

In lieu of submitting a copy of the policy or policies evidencing the above insurance, Lessee may submit in a form reasonably acceptable to County a certificate of insurance.

Any insurance coverage may be issued in the form of a blanket policy insuring other properties, in form, amount and content reasonably satisfactory to County such that such coverage provides the same protection as required under this Article 9 as if the insurance had been procured on an individual property basis.

9.4 Additional Required Provisions. Lessee's insurance policies required by this Article 9 shall be for a term of not less than one year and shall additionally provide:

- (a) that County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers, shall be named as additional insureds under any liability insurance policy or policies;
- (b) that the full amount of any losses to the extent property insurance proceeds are available shall be payable to additional insureds notwithstanding any act, omission or negligence of Lessee which might otherwise result in forfeiture of such insurance;
- (c) in any property insurance policy, a waiver of all right of subrogation against County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers with respect to losses payable under such policies;

(d) in any property insurance policy, that such policies shall not be invalidated should the insured waive, prior to a loss, any or all right of recovery against any party for losses covered by such policies;

(e) the property and commercial general liability insurance policies shall provide coverage on a primary and non-contributory basis with respect to the additional insureds, regardless of any other insurance or self-insurance that such additional insureds may elect to purchase or maintain;

(f) that losses, if any, shall be adjusted with and payable to Lessee, County and Encumbrance Holders, if any, pursuant to a standard mortgagee clause;

(g) that such policies shall not be suspended, voided, canceled, reduced in coverage or in limits or materially changed without at least thirty (30) days prior written notice to County and all Encumbrance Holders or ten (10) business days in case of cancellation for failure to pay the premium;

(h) that the commercial general liability insurance shall apply separately to each insured against whom a claim is made, except with respect to the overall limits of said insurer's liability; and,

(i) that the property and commercial general liability insurance policies shall contain no special limitations on the scope of protection afforded to the additional insureds, and no failure to comply with the reporting provisions of such policies shall affect the coverage afforded to such additional insureds.

9.5 Failure to Procure Insurance. If Lessee fails to procure or renew the herein required insurance and does not cure such failure within five (5) business days after written notice from County, in addition to the other rights and remedies provided hereunder, County may, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith. All monies so paid by County shall be repaid by Lessee, with interest thereon at the Applicable Rate, to County within five (5) business days after Lessee's receipt of written demand therefor.

9.6 Adjustment to Amount of Liability Coverage. The amounts of liability insurance required under Section 9.1.1, 9.1.2 and 9.1.3 shall be subject to renegotiation as of each fifth (5th) anniversary of the Effective Date (each, an "Insurance Renegotiation Date"). If County and Lessee cannot agree upon the amount of insurance by the sixtieth (60th) day preceding an Insurance Renegotiation Date, the matter shall be resolved by binding arbitration in accordance with Article 16. In no event shall the amounts of liability insurance be decreased as a result of such renegotiation or arbitration. Following such renegotiation or arbitration, the parties shall execute an amendment to this Lease setting forth the renegotiated insurance provisions or the arbitration judgment, as appropriate.

9.7 Notification of Incidents, Claims or Suits. Lessee shall report to County any accident or incident on or about the Premises which involves injury or property damage which might reasonably be thought to result in the filing of a claim or lawsuit against Lessee and/or

County. Such report shall be made in writing within 72 hours of Lessee's knowledge of such occurrence.

10. MAINTENANCE AND REPAIR; DAMAGE AND DESTRUCTION.

10.1 Lessee's Maintenance and Repair Obligations. Lessee shall maintain the Premises, including paved or unpaved ground surfaces and Improvements thereon, in conformance with such reasonable rules and regulations regarding the use and occupancy of commercial and marina facilities in Marina del Rey (such as the Premises) as may be promulgated by County from time to time for general applicability on a non-discriminatory basis, as revised from time to time. Without limiting the foregoing, at Lessee's sole cost and expense, but subject to the terms and conditions of this Lease, Lessee shall keep and maintain the Premises and all equipment, Improvements or physical structures of any kind which may exist or be erected, installed or made on the Premises in good and substantial repair and condition, including without limitation capital improvements and structural and roof repairs and replacement, and shall make all necessary repairs and alterations and replacements thereto, except as otherwise provided in this Article 10. Lessee shall undertake such repairs, alterations or replacements in compliance with Applicable Laws, or as reasonably required in writing by Director to Lessee incident to the provisions of this Article 10. Lessee shall maintain all Improvements on the Premises in a safe, clean, wholesome and sanitary condition, to the reasonable satisfaction of Director and in compliance with all Applicable Laws. Lessee shall, at its own cost and expense, install, maintain and replace landscaping between the streets abutting the Premises and the building footprints on the Premises as is reasonably necessary to create a pleasing development to the reasonable satisfaction of Director. Lessee specifically agrees to provide proper containers for trash and garbage which are screened from public view, to keep the Premises free and clear of rubbish and litter. Lessee shall at all times during the Term keep all slips in good repair and condition in accordance with the requirements of Policy Statement No. 25 and the Specifications and Minimum Standards of Architectural Treatment and Construction for Marina del Rey approved in 1989, as modified by County or the Department from time to time (the "Minimum Standards"). Such obligation shall include the use of new materials, parts and components rather than the repair or rejuvenation of existing materials, parts and components. Any requirement for repair of slips due to a deficiency notice issued by the Department shall be accomplished with new materials and parts rather than patching or other like method. Such required replacement of deficiency-cited items with wholly new parts and materials shall, however, be limited to the specific item in disrepair and shall not connote a requirement, for maintenance purposes, that areas or items surrounding the deficient item be replaced with new materials and/or parts. On or before the commencement of each Lease Year following the Effective Date Lessee shall submit to the Director, for the Director's approval in its reasonable discretion, a work plan for the repair and refurbishment of the slips on the Premises during the upcoming Lease Year. County in its proprietary capacity shall have the right to enter upon and inspect the Premises at any reasonable time for cleanliness, safety and compliance with this Section 10.1, as long as such entrance is not done in a manner which would unreasonably interfere with the operation of the Premises. Lessee's obligation to maintain and restore is absolute, and is not in any way dependent upon the existence or availability of insurance proceeds, except as otherwise provided in this Article 10. Restoration shall take place in accordance with the provisions of Article 5.

10.2 Maintenance Deficiencies. If County provides written notice to Lessee of a deficiency or other breach in the performance by Lessee of the maintenance and repair obligations of Lessee under Section 10.1 above, then Lessee shall promptly commence the cure thereof and shall complete such cure within the time period for such cure set forth in the County's deficiency notice, which cure period shall not be less than thirty (30) days except if the deficiency pertains to a condition that is health or safety related or otherwise constitutes an emergency situation, in which case County shall have the right to immediately require Lessee to take all appropriate steps to avoid damage or injury. If Lessee fails to cure any such deficiency within the cure period set forth in County's deficiency notice, then in addition to, and not in lieu of, any rights or remedies that County may have under Article 13 of this Lease for defaults not cured within the applicable notice and cure periods set forth therein, Lessee shall pay to County an amount equal to One Hundred Dollars (\$100) per day per item of deficiency for each day after such cure period that the deficiency item remains uncured; provided, however, if the nature of the deficiency is such that it is not capable of cure within the cure period specified in County's notice (for example, as a result of permitting requirements or construction material procurement delays beyond the control of Lessee), then as long as during the specified cure period Lessee commences the cure of the deficiency and thereafter continues the prosecution of the completion of such cure in a manner and with such diligence that will effectuate the cure in as short a period as reasonably possible, then the cure period specified in County's deficiency notice shall be extended for such additional time as necessary to complete the cure in as short a period as reasonably possible. If a cited deficiency is not health or safety related and does not otherwise constitute an emergency, and if in the reasonable and good faith business judgment of Lessee the deficiency notice was erroneously issued by County, then Lessee shall have the right to contest such deficiency notice by written notice to Director within five (5) business days after the date of the deficiency notice. If Lessee files any such contest with Director, then Director shall have the right, in the exercise of Director's discretion, to consider such contest. If Lessee's contest is made on a reasonable and good faith basis, then the cure period for the deficiency notice shall be tolled during the period between the date Director receives written notice of such contest and continuing until Director notifies Lessee in writing that either Director denies Lessee's contest or that Director has determined not to consider such contest. The One Hundred Dollars (\$100) per diem amount set forth in this Section 10.2 shall be adjusted every three (3) years during the remaining Lease Term on each third (3rd) anniversary of the Effective Date to reflect any change in the Consumer Price Index over the three (3) year period immediately preceding each such adjustment. If Lessee fails to pay any amounts payable by Lessee under this Section 10.2 within ten (10) days after written notice from County, then County shall have the right to draw on the Security Deposit to cover such unpaid amounts.

10.3 Option to Terminate for Uninsured Casualty. Lessee shall have the option to terminate this Lease and be relieved of the obligation to restore the Improvements on the Premises where all or substantially all of the Improvements on Premises are substantially damaged or destroyed and such damage or destruction resulted from a cause not required to be insured against by this Lease (an "Uninsured Loss"), and where all of the following occur:

10.3.1. No more than one hundred (100) days following the Uninsured Loss, Lessee shall notify County of its election to terminate this Lease; to be effective, this notice must include both a copy of Lessee's notification to the Encumbrance Holder, if any, of Lessee's intention to exercise this option to terminate and Lessee's certification

under penalty of perjury that Lessee has delivered or mailed such notification to the Encumbrance Holder in accordance with this subsection 10.3.1. County shall be entitled to rely upon the foregoing notice and certification as conclusive evidence that Lessee has notified the Encumbrance Holder regarding Lessee's desire to terminate this Lease.

10.3.2. No more than sixty (60) days following the giving of the notice required by subsection 10.3.1 or such longer time as may be reasonable under the circumstances, Lessee shall, at Lessee's expense: remove all debris and other rubble from the Premises; secure the Premises against trespassers; and, at County's election, remove all remaining Improvements on the Premises.

10.3.3. No more than sixty (60) days following the loss, Lessee delivers to County a deed to the Premises in recordable form, in form and content satisfactory to County and/or with such other documentation as may be reasonably requested by County or any title company on behalf of County, terminating Lessee's interest in the Premises and reconveying such interest to County free and clear of any and all Encumbrances and Subleases.

10.3.4. Within ten (10) days following the County's receipt of the notice referred to in subsection 10.3.1, County has not received both written notice from the Encumbrance Holder, if any, objecting to such termination and an agreement containing an effective assignment of Lessee's interest in this Lease to such Encumbrance Holder whereby such Encumbrance Holder expressly assumes and agrees to be bound by and perform all of Lessee's obligations under this Lease.

10.4 No Option to Terminate for Insured Casualty. Lessee shall have no option to terminate this Lease or otherwise be relieved of its obligation to restore the Improvements on the Premises where the damage or destruction results from a cause required to be insured against by this Lease.

10.5 No County Obligation to Make Repairs. County shall have no obligation whatsoever to make any repairs or perform any maintenance on the Premises.

10.6 Repairs Not Performed by Lessee. If Lessee fails to make any repairs or replacements as required, Director may notify Lessee of said failure in writing, and should Lessee fail to cure said failure and make repairs or replacements within a reasonable time as established by Director, County may make such repairs or replacements and the cost thereof, including, but not limited to, the cost of labor, overhead, materials and equipment, shall be charged against Lessee as provided in Section 13.5.

10.7 Other Repairs. Although having no obligation to do so, County may, at its own cost and at its sole discretion, perform or permit others to perform any necessary dredging, filling, grading or repair of water systems, sewer facilities, roads, or other County facilities on or about the Premises.

10.8 Notice of Damage. Lessee shall give prompt notice to County of any fire or damage affecting the Premises from any cause whatsoever.

10.9 Waiver of Civil Code Sections. The parties' rights shall be governed by this Lease in the event of damage or destruction. The parties hereby waive the provisions of California Civil Code Section 1932 and any other provisions of law which provide for contrary or additional rights.

11. ASSIGNMENT AND SUBLEASE.

11.1 Subleases.

11.1.1. Definition. The term "Sublease" shall mean any lease, license, permit, concession or other interest in the Premises, or a right to use the Premises or a portion thereof, which is conveyed or granted by Lessee to a third party, and which constitutes less than the unrestricted conveyance of the entire Lessee's interest under this Lease. "Sublessee" shall be the person or entity to whom such right to use is conveyed by a Sublease. A Sublease which grants or conveys to the Sublessee the right to possess or use all or substantially all of the Premises is sometimes referred to in this Lease as a "Major Sublease" and the Sublessee under such agreement is sometimes referred to in this Lease as a "Major Sublessee".

11.1.2. Approval Required. At least thirty (30) days prior to the proposed effective date of any Sublease that is not a Major Sublease or an Approved Slip Lease, or of any amendment or assignment of such Sublease, Lessee shall submit a copy of such Sublease, amendment or assignment to Director for approval, which approval shall be given or withheld at Director's sole and absolute discretion. To the extent practical, Director shall approve or disapprove said proposed Sublease, amendment or assignment within thirty (30) days after receipt thereof. In no event, however, shall any such Sublease, amendment or assignment be made or become effective without the prior approval of Director. Each such Sublease shall specifically provide that the Sublessee shall comply with all of the terms, covenants, and conditions of this Lease applicable to the portion of the Premises subject to the Sublease.

Notwithstanding any contrary provision of this Article 11, Lessee shall not be required to obtain County's approval of any Sublease of an individual boat slip in the ordinary course (but not the master lease of multiple slips) to a person or persons who will physically occupy the subleased slip, as long as such Sublease is in the form of the standard boat slip lease hereafter submitted to and approved by County and the term of such Sublease does not exceed one (1) year (each, an "Approved Slip Lease"). The terms and provisions of Sections 11.2 and 11.3 of this Lease shall not be applicable to Approved Slip Leases. Upon request by County, Lessee shall furnish County with a current rent roll respecting the Approved Slip Leases and a copy of all of such Approved Slip Leases.

11.1.3. Major Sublease. Lessee shall enter into a Major Sublease only with a reputable owner or manager of comparable commercial and marina facilities such as exist on the Premises. In light of the inherent detailed nature of a Major Sublease, Lessee shall deliver to County a copy of any proposed Major Sublease, or any sub-sublease or any other document pursuant to which an interest is proposed to be transferred in all or

substantially all of the Premises; not less than sixty (60) days prior to the proposed effective date of such proposed Major Sublease or other document, for County's review and approval pursuant to the procedures and requirements specified in Section 11.2.

11.2 Approval of Assignments and Major Subleases. Except as specifically hereinbefore provided in this Article 11, Lessee shall not, without the prior written consent of County, which shall be based upon factors described in Exhibit C hereto, which is incorporated herein by this reference ("Assignment Standards"), either directly or indirectly give, assign, hypothecate, encumber, transfer, or grant control of this Lease or any interest, right, or privilege therein (including without limitation the right to manage or otherwise operate the Improvements located from time to time on the Premises), or enter into a Major Sublease affecting the Premises, or license the use of the all or substantially all of the Premises. Any Change of Ownership shall constitute an assignment of Lessee's interest under this Lease. In addition, for purposes of this provision, the following acts of Lessee shall require the prior written consent of County to be effective, unless they are Excluded Transfers: (1) the addition, removal or replacement of one or more general partners or managing members in a Lessee which is a limited partnership or limited liability entity, except (a) by death, insolvency, incapacity, resignation (except for a sole general partner, if any) or removal of a general partner or managing member and his replacement by a vote of the limited partners, the remaining general partners or remaining members, or (b) if any general partner or managing member owning more than fifty percent (50%) of the interests of the partnership or limited liability entity acquires the interest of another general partner or managing member owning fifteen percent (15%) or less of the interests in the partnership or limited liability entity; (2) the sale, assignment, or transfer of fifty-percent (50%) or more of the stock in a corporation which owns or is a general partner in a partnership owning an interest in this Lease. Lessee shall provide County with any information reasonably requested by County in order to determine whether or not to grant approval of the assignment as provided herein. These same limitations and approval requirements shall apply with respect to the Sublessee's interest under a Major Sublease.

11.2.1. County's Use of Discretion and Limitation on Permissible Assignees. In exercising its discretion to approve assignments as provided in this Section 11.2, County shall take into account the Assignment Standards and, if County determines that such Assignment Standards are satisfied, County shall not unreasonably withhold or delay its consent to any proposed assignment.

11.2.2. Involuntary Transfers Prohibited. Except as otherwise specifically provided in this Lease, neither this Lease nor any interest therein shall be assignable or transferable in proceedings in attachment, garnishment, or execution against Lessee, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Lessee, or by any process of law including proceedings under the Bankruptcy Act.

11.2.3. Procedure. Requests for approval of any proposed assignment shall be processed in accordance with the following procedures:

11.2.3.1. Prior to entering into any agreement requiring the approval of County pursuant to this Sections 11.1 or 11.2, Lessee (or the entity seeking

approval of such assignment) shall notify County and deliver to County all information relevant to the proposed assignment, including without limitation any term sheets, letters of intent, draft Major Subleases, any other documents which set forth any proposed agreement regarding the Premises and the information set forth in subsection 11.2.3.5. County will evaluate the information provided to it and County may request additional information as may be reasonably necessary to act on the request. Under no circumstances will County formally discuss an assignment with any proposed assignee prior to reviewing the proposal with Lessee.

11.2.3.2. In completing its review of the proposal and granting or withholding its consent thereto, County will not be bound by any deadline contained in any proposed assignments, Major Subleases, escrow instructions or other agreements to which County is not a party.

11.2.3.3. Lessee acknowledges that the time needed for County to review a proposed assignment depends on many factors, including without limitation the complexity of the proposed transaction, the financial and other information submitted for review, and the workload of County's personnel. Notwithstanding the foregoing, County shall act as promptly as governmental processes permit in processing and acting upon a requested approval of an assignment of Lessee's interest under this Article 11.

11.2.3.4. Lessee shall be required to reimburse County for costs of legal, financial and/or other analyses, as well as County's Actual Costs incurred in connection with the proposed assignment, whether or not County ultimately grants its approval to the proposed assignment. However, in the event that County approves the proposed assignment, Lessee shall receive a credit toward those costs to the extent that an Administrative Charge is paid in connection with the assignment.

11.2.3.5. Lessee or the proposed assignee shall provide County with sufficient information for County to determine if the public interest will be served by approving the proposed transaction. The information that must be provided includes, but shall not be limited to, the following:

(i) Nature of the Assignee. Full disclosure is required in accordance with this Lease and County's applicant disclosure policy then in effect. Additionally, a flowchart identifying the chain of ownership of the assignee and its decision-making authority shall be provided to County. County shall be advised if the proposed assignee, or any other person or entity for whom disclosure is required pursuant to County's disclosure policy, has had any leasehold or concessionaire's interest canceled or terminated by the landlord due to the tenant or Lessee's breach or default thereunder;

(ii) Financial Condition of Assignee. County shall be provided with current, certified financial statements, including balance sheets and profit

and loss statements, demonstrating the proposed assignee's financial condition for the preceding five (5) years, or such shorter period that assignee has been in existence. This requirement shall also apply to any related person or entity which will be responsible for or guarantee the obligations of the proposed assignee or provide any funds or credit to such proposed assignee.

(iii) Financial Analysis. County shall be provided with the proposed assignee's financing plan for the operation of the Premises and for any contemplated improvement thereof, demonstrating such proposed assignee's financial capability to so operate the Premises and construct such improvements. Such financing plan shall include, but not be limited to, information detailing (1) equity capital; (2) sources and uses of funds; (3) terms of financing; (4) debt service coverage and ratio; and (5) loan to value ratio. The proposed assignee shall also provide County with documentation demonstrating such proposed assignee's financial viability, such as letters of commitment from financial institutions which demonstrate the availability of sufficient funds to complete any proposed construction or improvements on the Premises. Further, such proposed assignee shall authorize the release of financial information to County from financial institutions relating to the proposed assignee or other information supplied in support of the proposed assignment.

(iv) Business Plan. County shall be provided with the proposed assignee's business plan for the Premises, if applicable, including pro forma financial projections for the Premises for the five (5) year period beginning upon the commencement of the proposed assignment. Such pro forma projections will include capital costs, income and expenses, as well as debt service and all other payments to providers of debt and equity, and will be accompanied by a statement of basic assumptions and an identification of the sources of the data used in the production of such projections. Subject to the requirements of the Public Records Act, County shall use its good faith efforts to keep such business plan confidential.

(v) Assignor's Financial Statements. County shall be provided with certified financial statements, including balance sheets and profits and loss statements concerning the assignor Lessee and its operations for the three (3) most recent years prior to the proposed transaction.

(vi) Cure of Defaults. County shall be provided with the proposed assignee's specific plans to cure any and all delinquencies under this Lease which may be identified by County, whether identified before or after the date of the proposed assignment.

(vii) Prospectus Materials. County shall be provided with any materials distributed to third parties relating to the business of the proposed assignee to be conducted on, from or relating to the Premises.

(viii) Other Information. County shall be provided with a clear description of the terms and conditions of the proposed assignment, including a description of the proposed use of the Premises and any proposed alterations or improvements to the Premises. Additionally, County shall be provided with any and all other information which it reasonably requests of Lessee in connection with its review of the proposed transaction, including without limitation materials pertinent to the issues noted in this subsection to the extent that they exist, such as escrow instructions, security agreements, personal property schedules, appraisals, market reports, lien releases, UCC Statements, preliminary title reports, management agreements affecting the Premises, contracts in excess of \$25,000 affecting the Premises, schedules of pending or threatened litigation, and attorneys' closing opinions relating to Lessee, the proposed assignee or the Premises. County shall endeavor to keep the foregoing materials confidential, subject to the Public Records Act and other Applicable Laws.

11.2.3.6. Nondisturbance. At the request of Lessee, County shall agree to execute a subordination, nondisturbance and attornment agreement on commercially reasonable terms in favor of any Major Sublessee.

11.2.3.7. Final Documents. Prior to granting its approval over any proposed assignment, County shall be provided with an executed Assignment and Acceptance of Assignment in form and content as approved or supplied by the County. Ten (10) copies of each must be submitted to County, of which five (5) shall be signed originals and properly acknowledged.

11.2.4. County Right to Recapture. Other than in connection with an Excluded Transfer as described in subsection 4.6.2, if Lessee proposes to assign its interest in this Lease or the Premises, or proposes to enter into any Major Sublease affecting the Premises (with either such proposed transaction herein referred to as a "Proposed Transfer"), it shall provide County with written notice of such desire and the sale price ("Lessee Sale Price") at which it is willing to consummate the Proposed Transfer. Within thirty (30) days thereafter, the County shall provide Lessee with written notification as to whether it has elected to acquire an option to purchase the interest subject to the Proposed Transfer. During said thirty (30) day period, Lessee may continue to market the interest subject to the Proposed Transfer, provided that such interest is offered subject to County's rights as provided herein. In the event that, prior to the expiration of said thirty (30) day period, County has given notice to Lessee that it has elected to acquire said option, Lessee shall deliver to County an assignable option to purchase the interest subject to the Proposed Transfer ("County Option") at the Lessee Sale Price. Such County Option shall have a term of five (5) calendar months. During the term of the County Option, Lessee shall make the Premises and its books and records reasonably available for inspection by County and third parties as reasonably requested by County. In the event that County causes Lessee to issue the County Option and subsequently declines to purchase the interest subject to the Proposed Transfer at the Lessee Sale Price, County shall pay to Lessee at the expiration of the County Option period (or, at County's election, credit to Lessee against the next applicable installment(s) of Annual Minimum Rent and Percentage Rent), a sum (the "County Option Price") which represents (i) three

percent (3%) of the Lessee Sale Price, plus (ii) seven percent (7%) interest per annum on said three percent (3%) of the Lessee Sale Price, from the date Lessee received notice of County's election to receive the County Option through the date on which the County Option Price, together with interest thereon, is paid or credited in full. If County either (a) fails to elect to cause Lessee to issue the County Option within said thirty (30) day period or (b) gives notice that it has elected not to acquire the interest subject to the Proposed Transfer, then Lessee shall be entitled to consummate the Proposed Transfer with a third party (subject to County's approval rights as otherwise set forth in this Lease) during the ensuing nine (9) month period so long as the Proposed Transfer price is equal to or greater than the Lessee Sale Price last offered to County and upon no more favorable material terms to the assignee. In the event of a proposed Sublease or other permitted assignment of less than all of the Premises, County's election shall pertain to such portion of the Premises subject to the proposed Sublease or assignment and, in the event that County elects to acquire such portion of Lessee's interest in the Premises, Lessee's Annual Minimum Rent shall be proportionally reduced and Lessee's obligation to pay Percentage Rent shall pertain only to the amounts derived from the portion of the Premises retained by Lessee. In the event that County elects to recapture all or any portion of the Premises as provided herein, Lessee agrees to execute promptly a termination agreement and such other documentation as may be reasonably necessary to evidence the termination of this Lease, to set a termination date and to prorate rent and other charges with respect to the termination. County's rights pursuant to this subsection 11.2.4 shall not apply to Financing Events or those events identified in subsection 4.6.2 of this Lease.

11.2.5. County Credits Toward Purchase Price. In the event that County or its assignee elects to exercise the County Option, it shall receive the following credits toward the Lessee Sale Price: (1) the Net Proceeds Share which would be payable to County in the event that a third party were to purchase the interest offered at the Lessee Sale Price and (2) an amount which represents unpaid Annual Minimum Rent, Percentage Rent, and all other amounts payable under the Lease, if any, with late fees and interest as provided herein, from the end of the period most recently subject to County audit through the date of the purchase of the interest by County. In lieu of the credit described in (2) above, Lessee may provide County with a letter of credit or other security satisfactory to County to secure the payment of such unpaid amounts when finally determined by County. During the term of the County Option, Lessee shall cause to be available to County all books and records reasonably necessary in order to determine the amount of such unpaid Annual Minimum Rent, Percentage Rent, and other amounts payable under the Lease. In the event that County or its assignee exercises the County Option, but the transaction fails to close due to a failure of the parties to agree upon an appropriate allowance for such unpaid Annual Minimum Rent, Percentage Rent, and other amounts or appropriate security for the payment thereof, then County shall have no obligation to pay or credit to Lessee the County Option Price.

11.3 Terms Binding Upon Successors, Assigns and Sublessees. Except as otherwise specifically provided for herein, each and all of the provisions, agreements, terms, covenants, and conditions herein contained to be performed, fulfilled, observed, and kept by Lessee hereunder shall be binding upon the heirs, executors, administrators, successors, and assigns of

Lessee, and all rights, privileges and benefits arising under this Lease in favor of Lessee shall be available in favor of its heirs, executors, administrators, successors, and assigns.

Notwithstanding the foregoing, no assignment or subletting by or through Lessee in violation of the provisions of this Lease shall vest any rights in any such assignee or Sublessee. Any approved assignment of this Lease shall release the assignor of all liability arising due to actions or omissions on or after the effective date of such assignment, provided the assignee assumes all of such liability, including without limitation the obligation of assignee to cure any defaults and delinquencies under this Lease and to pay County Percentage Rent and any other amounts attributable to the period prior to the assignment, but not discovered by County or the assignee until after the assignment; provided, further, the assignor shall not be relieved of any liability for the payment of the Administrative Charge or the required portion of any Net Proceeds Share or Net Refinancing Proceeds which arise upon such assignment as provided herein.

12. ENCUMBRANCES

12.1 Financing Events.

12.1.1 Definitions. For the purposes of this Lease, including without limitation the provisions of Sections 4.6 through 4.8 hereof: (i) a "Financing Event" shall mean any financing or refinancing consummated by Lessee or by the holders of partnership interests or other direct or indirect ownership interests in Lessee (collectively, "Ownership Interests"), whether with private or institutional investors or lenders, where such financing or refinancing is an Encumbrance (as defined below); for purposes of subsection 12.1.2 below and Sections 4.6 through 4.8 above, a "Financing Event" shall also include all of the foregoing actions involving the granting of a mortgage, deed of trust or other security interest in a Major Sublease; and (ii) an "Encumbrance" shall mean any direct or indirect grant, pledge, assignment, transfer, mortgage, hypothecation, grant of control, grant of security interest, or other encumbrance, of or in all or any portion of (A) Lessee's interest under this Lease and the estate so created (including without limitation a direct or indirect assignment of Lessee's right to receive rents from subtenants) or (B) Ownership Interests if an absolute assignment from the holder of such Ownership Interests to the holder of the Encumbrance would have required County's consent under this Lease, to a lender (upon County approval of the Encumbrance and consummation thereof, the "Encumbrance Holder") as security for a loan. The term "Encumbrance Holder" shall also be deemed to include any successors and assigns of such Encumbrance Holder which have succeeded by assignment or otherwise to any rights, interests or liabilities of the Encumbrance Holder with respect to the Encumbrance, or any designee which has been designated by the Encumbrance Holder to exercise any rights or remedies under the Encumbrance or to take title to the leasehold estate under this Lease or to Ownership Interests, and such permitted successors, assigns or designees shall enjoy all of the rights and protections given to Encumbrance Holders under this Lease; provided, however, no successor, assign or designee of an Encumbrance Holder that is affiliated with Lessee or any person or entity with a direct or indirect ownership interest in Lessee shall be entitled to any of the rights or protections granted to Encumbrance Holders under this Lease. The term "Equity Encumbrance Holder" shall mean an Encumbrance Holder holding an Encumbrance with respect to Ownership Interests.

12.1.2 County Approval Required. Lessee may, with the prior written consent of Director, which shall not be unreasonably withheld, and subject to any specific conditions which may be reasonably imposed by Director, consummate one or more Financing Events. Lessee shall submit to Director a preliminary loan package and thereafter a complete set of all proposed transaction documents in connection with each proposed Financing Event. The preliminary loan package shall include the loan commitment (or the so-called "loan application" if the loan commitment is styled as a loan application) and any other documents, materials or other information reasonably requested by Director. Lessee shall have the right, but not the obligation, to include draft loan documents in the preliminary loan package. Director shall have sixty (60) days to grant or withhold approval of the preliminary loan package. Director shall have sixty (60) days after receipt of substantially complete loan documents conforming to the approved preliminary loan package in which to grant or withhold final approval of the Financing Event; provided, however, that if the preliminary loan package included draft loan documents, then the foregoing sixty (60) day period shall be reduced to thirty (30) days. If not approved by Director in writing within the foregoing periods, the proposed Financing Event shall be deemed disapproved by Director (and, if so requested in writing by Lessee), Director shall within thirty (30) days of such request deliver to Lessee a written description of Director's objections to said proposed Financing Event). Lessee shall reimburse County for County's Actual Cost incurred in connection with its review of the proposed Financing Event. One copy of any and all security devices or instruments as finally executed or recorded by the parties in connection with any approved Encumbrance shall be filed with Director not later than seven (7) days after the effective date thereof. The same rights and obligations set forth above in this subsection 12.1.2 shall inure to the benefit of and shall be binding upon any holder of Ownership Interests with respect to any proposed Financing Event involving Ownership Interests.

12.2 Consent Requirements In The Event of a Foreclosure Transfer.

12.2.1 Definitions. As used herein, a "Foreclosure Transfer" shall mean any transfer of the entire leasehold estate under this Lease or of all of the Ownership Interests in Lessee pursuant to any judicial or nonjudicial foreclosure or other enforcement of remedies under or with respect to an Encumbrance, or by voluntary deed or other transfer in lieu thereof. A "Foreclosure Transferee" shall mean any transferee (including without limitation an Encumbrance Holder) which acquires title to the entire leasehold estate under this Lease or to all of the Ownership Interests in Lessee pursuant to a Foreclosure Transfer. An "Equity Foreclosure Transferee" shall mean a Foreclosure Transferee whose acquired interest consists of all of the Ownership Interests in Lessee.

12.2.2 Foreclosure Transfer. The consent of County shall not be required with respect to any Foreclosure Transfer. In addition, no Foreclosure Transfer, and no single subsequent transfer by an Encumbrance Holder following a Foreclosure Transfer pursuant to subsection 12.2.3, shall trigger the obligation to pay a Net Proceeds Share to County or any recapture right of County under subsection 11.2.4 of this Lease.

12.2.3 Subsequent Transfer By Encumbrance Holder. For each Foreclosure Transfer in which the Foreclosure Transferee is an Encumbrance Holder, with respect to a single subsequent transfer of this Lease or the Ownership Interests (as applicable) by such Encumbrance Holder to any third party, (i) County's consent to such transfer shall be required, but shall not be unreasonably withheld or delayed, and the scope of such consent (notwithstanding anything in this Lease to the contrary) shall be limited to County's confirmation (which must be reasonable) that the Lessee following such transfer has sufficient financial capability to perform its remaining obligations under this Lease as they come due, along with any obligation of Lessee for which the Foreclosure Transferee from whom it receives such transfer is released under subsection 12.3.1 below, and (ii) such transferee (other than a transferee of Ownership Interests) shall expressly agree in writing to assume and to perform all of the obligations under this Lease, other than Excluded Defaults (as defined below). For clarification purposes, the right to a single transfer under this Section shall apply to each Foreclosure Transfer in which the Foreclosure Transferee is an Encumbrance Holder, so that there may be more than one "single transfer" under this Section.

12.3 Effect of Foreclosure. In the event of a Foreclosure Transfer, the Encumbrance Holder shall forthwith give notice to County in writing of such transfer setting forth the name and address of the Foreclosure Transferee and the effective date of such transfer, together with a copy of the document by which such transfer was made.

12.3.1 Any Encumbrance Holder which is a commercial bank, savings bank, savings and loan institution, insurance company, pension fund, investment bank, opportunity fund, mortgage conduit, real estate investment trust, commercial finance lender or other similar financial institution which ordinarily engages in the business of making, holding or servicing commercial real estate loans, including any affiliate thereof (an "Institutional Lender"), shall, upon becoming a Foreclosure Transferee (other than an Equity Foreclosure Transferee), become liable to perform the full obligations of Lessee under this Lease (other than Excluded Defaults as defined below) accruing during its period of ownership of the leasehold. Upon a subsequent transfer of the leasehold in accordance with subsection 12.2.3 above, such Institutional Lender shall be automatically released of any further liability with respect to this Lease, other than for (i) rent payments, property tax payments, reserve account payments and other monetary obligations under specific terms of the Lease that accrue solely during such Institutional Lender's period of ownership of the leasehold, and (ii) Lessee's indemnification obligations under this Lease with respect to matters pertaining to or arising during such Institutional Lender's period of ownership of leasehold title.

12.3.2 Any other Foreclosure Transferee (i.e., other than an Institutional Lender as provided in subsection 12.3.1 above) shall, upon becoming a Foreclosure Transferee (other than an Equity Foreclosure Transferee), become liable to perform the full obligations of Lessee under this Lease (other than Excluded Defaults), subject to possible release of liability upon a subsequent transfer pursuant to Section 11.3 of this Lease.

12.3.3 Following any Foreclosure Transfer which is a transfer of the leasehold interest under the Lease, County shall recognize the Foreclosure Transferee as the Lessee under the Lease and shall not disturb its use and enjoyment of the Premises, and the Foreclosure Transferee shall succeed to all rights of Lessee under this Lease as a direct lease between County and such Foreclosure Transferee, provided that the Foreclosure Transferee cures any pre-existing Event of Default other than any such pre-existing Event of Default that (i) is an incurable non-monetary default, (ii) is a non-monetary default that can only be cured by a prior lessee, (iii) is a non-monetary default that is not reasonably susceptible of being cured by such transferee, or (iv) relates to any obligation of a prior lessee to pay any Net Proceeds Share (collectively, "Excluded Defaults"), and thereafter performs the full obligations of Lessee under this Lease. Pursuant to subsection 12.3.7 below, following any Foreclosure Transfer which is a transfer of Ownership Interests, the foregoing rights under this subsection 12.3.3 shall also inure to the benefit of the Lessee.

12.3.4 No Encumbrance Holder shall become liable for any of Lessee's obligations under this Lease unless and until such Encumbrance Holder becomes a Foreclosure Transferee with respect to Lessee's leasehold interest under the Lease.

12.3.5 No Foreclosure Transfer, and no single subsequent transfer by an Encumbrance Holder following a Foreclosure Transfer pursuant to subsection 12.2.3, shall trigger (i) any obligation to pay an Administrative Charge nor any Net Proceeds Share, (ii) any recapture right on the part of County, or (iii) any termination right under this Lease. Any Foreclosure Transfer, and any single subsequent transfer by an Encumbrance Holder following a Foreclosure Transfer pursuant to subsection 12.2.3, shall be deemed to be excluded from the definitions of "Change of Ownership" for all purposes of this Lease. For clarification purposes, the "single subsequent transfer" referred to above applies to each Foreclosure Transfer in which the Foreclosure Transferee is an Encumbrance Holder (as more fully explained in subsection 12.2.3), so that there may be more than one "single subsequent transfer" benefited by this Section.

12.3.6 In the event that an Institutional Lender becomes a Foreclosure Transferee, all obligations with respect to the construction work described in Sections 5.1, 5.14 or 5.15 above shall be tolled for a period of time, not to exceed twelve months, until such Institutional Lender completes a subsequent transfer of its foreclosed interest in the Lease or Ownership Interests, provided that such Institutional Lender is making commercially reasonable and diligent efforts to market and sell its foreclosed interest. Nothing in this subsection 12.3.6 shall be construed as a limit or outside date on any cure periods provided to Encumbrance Holders under this Lease.

12.3.7 Following a Foreclosure Transfer with respect to all of the Ownership Interests in Lessee, (i) any and all rights, privileges and/or liability limitations afforded to Foreclosure Transferees in this Article 12 or any other provision of this Lease shall also be afforded to Lessee from and after such Foreclosure Transfer, to the same extent as if the Foreclosure Transferee had acquired the leasehold interest of Lessee directly and became the Lessee under this Lease, and (ii) if the Foreclosure Transferee was also an Equity Encumbrance Holder, then any and all rights, privileges and/or liability limitations

afforded to Foreclosure Transferees who are Encumbrance Holders in this Article 12 or any other provision of this Lease shall also be afforded to Lessee from and after such Foreclosure Transfer, to the same extent as if the Foreclosure Transferee had acquired the leasehold interest of Lessee directly and became the Lessee under this Lease.

12.4 No Subordination. County's rights in the Premises and this Lease, including without limitation County's right to receive Annual Minimum Rent and Percentage Rent, shall not be subordinated to the rights of any Encumbrance Holder. Notwithstanding the foregoing, an Encumbrance Holder shall have all of the rights set forth in the security instrument creating the Encumbrance, as approved by County in accordance with subsection 12.1.2, to the extent that such rights are not inconsistent with the terms of this Lease, including the right to commence an action against Lessee for the appointment of a receiver and to obtain possession of the Premises under and in accordance with the terms of said Encumbrance, provided that all obligations of Lessee hereunder shall be kept current, including but not limited to the payment of rent and curing of all defaults or Events of Default hereunder (other than Excluded Defaults or as otherwise provided herein).

12.5 Modification or Termination of Lease. This Lease shall not be modified or amended without the prior written consent in its sole discretion of each then existing Encumbrance Holder with respect to Lessee's entire leasehold interest in this Lease or all of the Ownership Interests in Lessee. Further, this Lease may not be surrendered or terminated (except with respect to the Partial Termination Premises pursuant to Section 2.2 above, or in accordance with the provisions of this Article 12) without the prior written consent of each such Encumbrance Holder in its sole discretion. No such modification, amendment, surrender or termination (other than a termination with respect to the Partial Termination Premises pursuant to Section 2.2 above, or in accordance with the provisions of this Article 12) without the prior written consent of each such then existing Encumbrance Holder shall be binding on any such Encumbrance Holder or any other person who acquires title to its foreclosed interest pursuant to a Foreclosure Transfer.

12.6 Notice and Cure Rights of Encumbrance Holders and Major Sublessees.

12.6.1 Right to Cure. Each Encumbrance Holder and Major Sublessee shall have the right, at any time during the term of its Encumbrance or Major Sublease, as applicable, and in accordance with the provisions of this Article 12, to do any act or thing required of Lessee in order to prevent termination of Lessee's rights hereunder, and all such acts or things so done hereunder shall be treated by County the same as if performed by Lessee.

12.6.2 Notice of Default. County shall not exercise any remedy available to it upon the occurrence of an Event of Default (other than exercising County's self-help remedies pursuant to Section 13.5 or imposing the daily payment set forth in Section 10.2), and no such exercise shall be effective, unless it first shall have given written notice of such default to each and every then existing Major Sublessee and Encumbrance Holder which has notified Director in writing of its interest in the Premises or this Lease and the addresses to which such notice should be delivered. Such notice shall be sent

simultaneously with the notice or notices to Lessee. An Encumbrance Holder or Major Sublessee shall have the right and the power to cure the Event of Default specified in such notice in the manner prescribed herein. If such Event or Events of Default are so cured, this Lease shall remain in full force and effect. Notwithstanding any contrary provision hereof, the Lender's cure rights set forth in this Section 12.6 shall not delay or toll the County's right to impose the daily payment for Lessee breaches set forth in Section 10.2.

12.6.3 Manner of Curing Default. Events of Default may be cured by an Encumbrance Holder or Major Sublessee in the following manner:

(a) If the Event of Default is in the payment of rental, taxes, insurance premiums, utility charges or any other sum of money, an Encumbrance Holder or the Major Sublessee may pay the same, together with any Late Fee or interest payable thereon, to County or other payee within thirty five (35) days after its receipt of the aforesaid notice of default. If, after such payment to County, Lessee pays the same or any part thereof to County, County shall refund said payment (or portion thereof) to such Encumbrance Holder or Major Sublessee.

(b) If the Event of Default cannot be cured by the payment of money, but is otherwise curable, the default may be cured by an Encumbrance Holder or Major Sublessee as follows:

(1) The Encumbrance Holder or Major Sublessee may cure the default within sixty (60) days after the end of Lessee's cure period as provided in Section 13.1 hereof (or, if the default involves health, safety or sanitation issues, County may by written notice reduce such sixty (60) day period to thirty (30) days, such 60 or 30 day period, as applicable, being referred to herein as the "initial cure period"), provided, however, if the curing of such default reasonably requires activity over a longer period of time, the initial cure period shall be extended for such additional time as may be reasonably necessary to cure such default, so long as the Encumbrance Holder or Major Sublessee commences a cure within the initial cure period and thereafter continues to use due diligence to perform whatever acts may be required to cure the particular default. In the event Lessee commences to cure the default within Lessee's applicable cure period and thereafter fails or ceases to pursue the cure with due diligence, the Encumbrance Holder's and Major Sublessee's initial cure period shall commence upon the later of the end of Lessee's cure period or the date upon which County notifies the Encumbrance Holder and/or Major Sublessee that Lessee has failed or ceased to cure the default with due diligence.

(2) With respect to an Encumbrance Holder, but not a Major Sublessee, if before the expiration of the initial cure period, said Encumbrance Holder notifies County of its intent to commence foreclosure of its interest, and within sixty (60) days after the mailing of said notice, said Encumbrance Holder (i) actually commences foreclosure proceedings and prosecutes the same

thereafter with due diligence, the initial cure period shall be extended by the time necessary to complete such foreclosure proceedings, or (ii) if said Encumbrance Holder is prevented from commencing or continuing foreclosure proceedings by any bankruptcy stay, or any order, judgment or decree of any court or regulatory body of competent jurisdiction, and said Encumbrance Holder diligently seeks release from or reversal of such stay, order, judgment or decree, the initial cure period shall be extended by the time necessary to obtain such release or reversal and thereafter to complete such foreclosure proceedings. Within thirty (30) days after a Foreclosure Transfer is completed, the Foreclosure Transferee shall (if such default has not been cured) commence to cure, remedy or correct the default and thereafter diligently pursue such cure until completed in the same manner as provided in subsection (a) above. The Encumbrance Holder shall have the right to terminate its foreclosure proceeding, and the extension of any relevant cure period shall lapse, in the event of a cure by Lessee.

12.7 New Lease.

12.7.1 Obligation to Enter Into New Lease. In the event that this Lease is terminated by reasons of bankruptcy, assignment for the benefit of creditors, insolvency or any similar proceedings, operation of law, an Excluded Default or other event beyond the reasonable ability of an Encumbrance Holder to cure or remedy, or if the Lease otherwise terminates for any reason, except in each case other than the partial termination of the Lease with respect to the Partial Termination Premises pursuant to Section 2.2, County shall, upon the written request of any Encumbrance Holder with respect to Lessee's entire leasehold estate under this Lease or all of the Ownership Interests in Lessee (according to the priority described below if there are multiple Encumbrance Holders), enter into a new lease (which shall be effective as of the date of termination of this Lease) with the Encumbrance Holder or an affiliate thereof for the then remaining Term of this Lease on the same terms and conditions as shall then be contained in this Lease, provided that the Encumbrance Holder cures all then existing monetary defaults under this Lease, and agrees to commence a cure of all then existing non-monetary Events of Default within sixty (60) days after the new lease is entered into, and thereafter diligently pursues such cure until completion. In no event, however, shall the Encumbrance Holder be obligated to cure any Excluded Defaults. County shall notify the most junior Encumbrance Holder of a termination described in this Section 12.7 within thirty (30) days after the occurrence of such termination, which notice shall state (i) that the Lease has terminated in accordance with Section 12.7 of this Lease, and (ii) that such Encumbrance Holder has sixty (60) days following receipt of such notice within which to exercise its right to a new lease under this Section 12.7, or else it will lose such right. An Encumbrance Holder's election shall be made by giving County written notice of such election within sixty (60) days after such Encumbrance Holder has received the above-described written notice from the County. Within a reasonable period after request therefor, County shall execute and return to the Encumbrance Holder any and all documents reasonably necessary to secure or evidence the Encumbrance Holder's interest in the new lease or the Premises. From and after the effective date of the new lease, the Encumbrance Holder (or its affiliate) shall have the same rights to a single transfer that

are provided in subsection 12.2.3 above, and shall enjoy all of the other rights and protections that are provided to a Foreclosure Transferee in this Article 12. Any other subsequent transfer or assignment of such new lease shall be subject to all of the requirements of Article 11 of this Lease. If there are multiple Encumbrance Holders, this right shall inure to the most junior Encumbrance Holder in order of priority; provided, however, if such junior Encumbrance Holder shall accept the new lease, the priority of each of the more senior Encumbrance Holders shall be restored in accordance with all terms and conditions of such Encumbrances(s). If a junior Encumbrance Holder does not elect to accept the new lease within thirty (30) days of receipt of notice from County, the right to enter into a new lease shall be provided to the next most junior Encumbrance Holder, under the terms and conditions described herein, until an Encumbrance Holder either elects to accept a new lease, or no Encumbrance Holder so elects.

12.7.2 Priority of New Lease. The new lease made pursuant to this Section 12.7 shall be prior to any mortgage or other lien, charge or encumbrance (except for easements or other matters to which this Lease is subject) on County's fee interest in the Premises (except for easements or other matters to which this Lease is subject), and any future fee mortgagee or other future holder of any lien on the fee interest in the Premises is hereby given notice of the provisions hereof.

12.8 Holding of Funds. Any Encumbrance Holder with respect to Lessee's entire leasehold interest in this Lease or all of the Ownership Interests in Lessee that is an Institutional Lender shall have the right to hold and control the disbursement of (i) any insurance or condemnation proceeds to which Lessee is entitled under this Lease and that are required by the terms of this Lease to be applied to restoration of the improvements on the Premises (provided that such funds shall be used for such restoration in accordance with the requirements of the Lease), and (ii) any funds required to be held in the Capital Improvement Fund or Renovation Fund (provided that such funds shall be used for the purposes required by this Lease). If more than one such Encumbrance Holder desires to exercise the foregoing right, the most senior Encumbrance Holder shall have priority in the exercise of such right.

12.9 Participation in Certain Proceedings and Decisions. Any Encumbrance Holder shall have the right to intervene and become a party in any arbitration, litigation, condemnation or other proceeding affecting this Lease. Lessee's right to make any election or decision under this Lease with respect to any condemnation settlement, insurance settlement or restoration of the Premises following a casualty or condemnation shall be subject to the prior written approval of each then existing Encumbrance Holder.

12.10 Fee Mortgages and Encumbrances. Any mortgage, deed of trust or other similar encumbrance granted by County upon its fee interest in the Premises shall be subject and subordinate to all of the provisions of this Lease and to all Encumbrances. County shall require each such fee encumbrance holder to confirm the same in writing (in a form reasonably approved by each Encumbrance Holder or its title insurer) as a condition to granting such encumbrance, although the foregoing subordination shall be automatic and self-executing whether or not such written confirmation is obtained.

12.11. No Merger. Without the written consent of each Encumbrance Holder, the leasehold interest created by this Lease shall not merge with the fee interest in all or any portion of the Premises, notwithstanding that the fee and leasehold interests are held at any time by the same person or entity.

13. DEFAULT.

13.1 Events of Default. The following are deemed to be "Events of Default" hereunder:

13.1.1. Monetary Defaults. The failure of Lessee to pay the rentals due, or make any other monetary payments required under this Lease, within five (5) days after written notice that said payments are overdue. Lessee may cure such nonpayment by paying the amount overdue, with interest thereon and the applicable Late Fee, within such five (5) day period.

13.1.2. Failure to Comply with Construction Obligations. The failure of Lessee to comply with the obligations and timeframes set forth in Article 5 of this Lease if not cured within ten (10) days after written notice of such failure, if no other notice of such failure is otherwise required hereunder.

13.1.3. Maintenance of Security Deposit. The failure of Lessee to maintain and/or replenish the Security Deposit required pursuant to Article 8 of this Lease if not cured within five (5) days after written notice of such failure.

13.1.4. Failure to Perform Other Obligations. The failure of Lessee to keep, perform, and observe any and all other promises, covenants, conditions and agreements set forth in this Lease, including without limitation the obligation to maintain adequate accounting and financial records, within thirty five (35) days after written notice of Lessee's failure to perform from Director; provided, however, that where Lessee's performance of such covenant, condition or agreement is not reasonably susceptible of completion within such thirty five (35) day period and Lessee has in good faith commenced and is continuing to perform the acts necessary to perform such covenant, condition or agreement within such thirty five (35) day period, County will not exercise any remedy available to it hereunder for so long as Lessee uses reasonable due diligence in continuing to pursue to completion the performance such covenant, condition or agreement and so completes performance within a reasonable time.

13.1.5. Nonuse of Premises. The abandonment, vacation, or discontinuance of use of the Premises, or any substantial portion thereof, for a period of thirty five (35) days, except when prevented by Force Majeure or when closed for renovations or repairs required or permitted to be made under this Lease.

Any notice required to be given by County pursuant to subsections 13.1.1 through and including 13.1.4 shall be in addition to, and not in lieu of, any notice required under Section 1161 of the California Code of Civil Procedure.

13.2 Limitation on Events of Default. Lessee shall not be considered in default as to any provision of this Lease when such default is the result of or pursuant to, any process, order, or decree of any court or regulatory body of competent jurisdiction, or any other circumstances which are physically impossible to cure provided Lessee uses due diligence in pursuing whatever is required to obtain release from or reversal of such process, order, or decree or is attempting to remedy such other circumstances preventing its performance.

13.3 Remedies. Upon the occurrence of an Event of Default, and subject to the rights of any Encumbrance Holder or Major Sublessee to cure such Event of Default as provided in Section 12.6 hereof, County shall have, in addition to any other remedies in law or equity, the following remedies which are cumulative:

13.3.1. Terminate Lease. County may terminate this Lease by giving Lessee written notice of termination. On the giving of the notice, all Lessee's rights in the Premises and in all Improvements shall terminate. Promptly after notice of termination, Lessee shall surrender and vacate the Premises and all Improvements in broom-clean condition, and County may re-enter and take possession of the Premises and all remaining Improvements and, except as otherwise specifically provided in this Lease, eject all parties in possession or eject some and not others, or eject none. Termination under this subsection shall not relieve Lessee from the payment of any sum then due to County or from any claim for damages against Lessee as set forth in subsection 13.4.3, or from Lessee's obligation to remove Improvements at County's election in accordance with Article 2. County agrees to use reasonable efforts to mitigate damages.

13.3.2. Keep Lease in Effect. Without terminating this Lease, so long as County does not deprive Lessee of legal possession of the Premises and allows Lessee to assign or sublet subject only to County's rights set forth herein, County may continue this Lease in effect and bring suit from time to time for rent and other sums due, and for Lessee's breach of other covenants and agreements herein. No act by or on behalf of County under this provision shall constitute a termination of this Lease unless County gives Lessee written notice of termination. It is the intention of the parties to incorporate the provisions of California Civil Code Section 1951.4 by means of this provision.

13.3.3. Termination Following Continuance. Even though it may have kept this Lease in effect pursuant to subsection 13.3.2, thereafter County may elect to terminate this Lease and all of Lessee's rights in or to the Premises unless prior to such termination Lessee shall have cured the Event of Default or shall have satisfied the provisions of Section 13.2, hereof. County agrees to use reasonable efforts to mitigate damages.

13.4 Damages. Should County elect to terminate this Lease under the provisions of the foregoing Section, County shall be entitled to recover from Lessee as damages:

13.4.1. Unpaid Rent. The worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Lease;

13.4.2. Post-Termination Rent. The worth, at the time of the award, of the unpaid rent that would have been earned under this Lease after the date of termination of this Lease until the date Lessee surrenders possession of the Premises to County; and

13.4.3. Other Amounts. The amounts necessary to compensate County for the sums and other obligations which under the terms of this Lease become due prior to, upon or as a result of the expiration of the Term or sooner termination of this Lease, including without limitation, those amounts of unpaid taxes, insurance premiums and utilities for the time preceding surrender of possession, the cost of removal of rubble, debris and other above-ground Improvements, attorney's fees, court costs, and unpaid Administrative Charges, Net Proceeds Shares and Net Refinancing Proceeds.

13.5 Others' Right to Cure Lessee's Default. County (and any Encumbrance Holder or Major Sublessee, as provided in the last sentence of this section), at any time after Lessee's failure to perform any covenant, condition or agreement contained herein beyond any applicable notice and cure period, may cure such failure at Lessee's cost and expense. If, after delivering to Lessee two (2) or more written notices with respect to any such default, County at any time, by reason of Lessee's continuing failure, pays or expends any sum, Lessee shall immediately pay to County the lesser of the following amounts: (1) twice the amount expended by County to cure such default and (2) the amount expended by County to cure such default, plus one thousand dollars (\$1,000). To the extent practicable, County shall give any Encumbrance Holders or Major Sublessees the reasonable opportunity to cure Lessee's default prior to County's expenditure of any amounts thereon.

13.6 Default by County. County shall be in default in the performance of any obligation required to be performed by County under this Lease if County has failed to perform such obligation within thirty (30) days after the receipt of notice from Lessee specifying in detail County's failure to perform; provided, however, that if the nature of County's obligation is such that more than thirty (30) days are required for its performance, County shall not be deemed in default if it shall commence such performance within thirty (30) days and thereafter diligently pursues the same to completion. Lessee shall have no rights as a result of any default by County until Lessee gives thirty (30) days notice to any person having a recorded interest pertaining to County's interest in this Lease or the Premises. Such person shall then have the right to cure such default, and County shall not be deemed in default if such person cures such default within thirty (30) days after receipt of notice of the default, or such longer time as may be reasonably necessary to cure the default. Notwithstanding anything to the contrary in this Lease, County's liability to Lessee for damages arising out of or in connection with County's breach of any provision or provisions of this Lease shall not exceed the value of County's equity interest in the Premises and its right to insurance proceeds in connection with the policies required under Article 9 hereof.

14. ACCOUNTING.

14.1 Maintenance of Records and Accounting Method. In order to determine the amount of and provide for the payment of the Annual Minimum Rent, Percentage Rent, Administrative Charge, Net Proceeds Share, Net Refinancing Proceeds and other sums due under this Lease, Lessee and all Sublessees shall at all times during the Term of this Lease, and for

thirty six (36) months thereafter, keep, or cause to be kept, locally, to the reasonable satisfaction of Director, true, accurate, and complete records and double-entry books of account for the current and five (5) prior Accounting Years, such records to show all transactions relative to the conduct of operations, and to be supported by data of original entry. Such records shall detail transactions conducted on or from the Premises separate and apart from those in connection with Lessee's (or sublessee's or licensee's, as appropriate) other business operations, if any. Lessee shall utilize the accrual method of accounting with respect to its preparation of the reports and maintenance of records required herein or, at its option, may utilize the cash method of accounting, provided Lessee reconciles its filings, records and reports to an accrual method to the extent requested by County; notwithstanding the foregoing, Lessee shall be permitted to make monthly payments of Percentage Rent using the cash method of accounting to determine Gross Receipts, provided that Lessee provides County with an annual reconciliation of its cash basis Gross Receipts to the accrual method (together with payment of any additional Percentage Rent due).

14.2 Cash Registers. To the extent retail sales are conducted on the Premises, or other cash or credit sales of goods or services are conducted, all such sales shall be recorded by means of cash registers or computers which automatically issue a customer's receipt or certify the amount recorded in a sales slip. Said cash registers shall in all cases have locked-in sales totals and transaction counters which are constantly accumulating and which cannot, in either case, be reset, and in addition thereto, a tape (or other equivalent security mechanism) located within the register on which transaction numbers and sales details are imprinted. Beginning and ending cash register readings shall be made a matter of daily record.

Lessee shall cause to be implemented point of sale systems which can accurately verify all sales for audit purposes and customer review purposes, which system shall be submitted to the Director in advance of installation for his approval, which approval will not be unreasonably withheld.

The requirements of this paragraph may be waived or modified in advance by Director upon submission by Lessee of a substitute plan acceptable to Director for recording sales and other income.

Lessee's obligations set forth in this Section 14.2 include Lessee's obligation to insure that Lessee's sublessees, licensees, permittees, concessionaires and any other occupants of any portion of the Premises keep records sufficient to permit County and County's auditors to determine the proper levels of Annual Minimum Rent, Percentage Rent, Administrative Charge, Net Proceeds Share, Net Refinancing Proceeds and other sums due under this Lease.

14.3 Statement; Payment. No later than the fifteenth (15th) day of each calendar month, Lessee shall render to County a detailed statement showing Gross Receipts during the preceding calendar month, together with its calculation of the amount payable to County under Sections 4.2 through 4.8 inclusive, and shall accompany same with remittance of amount so shown to be due.

14.4 Availability of Records for Inspector's Audit. Books of account and records hereinabove required shall be kept or made available at the Premises or at another location

within Los Angeles County, and County and other governmental authorities shall have the right at any reasonable times to examine and audit said books and records, without restriction, for the purpose of determining the accuracy thereof and of the monthly statements of Gross Receipts derived from occupancy of the Premises and the compliance of Lessee with the terms of this Lease and other governmental requirements. This Section 14.4 shall survive the expiration of the Term or other termination of this Lease for thirty six (36) months after such expiration or termination.

14.4.1. Entry by County. County and its duly authorized representatives or agents may enter upon the Premises at any and all reasonable times during the Term of this Lease for the purpose of determining whether or not Lessee is complying with the terms and conditions hereof, or for any other purpose incidental to the rights of County.

14.5 Cost of Audit. In the event that, for any reason, Lessee does not make available its (or its sublessee's or licensee's) original records and books of account at the Premises or at a location within Los Angeles County, Lessee agrees to pay all expenses incurred by County in conducting any audit at the location where said records and books of account are maintained. In the event that any audit discloses a discrepancy in County's favor of greater than two percent (2%) of the revenue due County for the period audited, then Lessee shall pay County audit contract costs, together with the amount of any identified deficiency, with interest thereon and Late Fee provided by Section 4.5.

14.6 Additional Accounting Methods. County may require the installation of any additional accounting methods or machines which are typically used by major office buildings and major parking service companies and which County reasonably deems necessary if the system then being used by Lessee does not adequately verify sales for audit or customer receipt purposes.

14.7 Accounting Year. The term "Accounting Year" as used herein shall mean each calendar year during the Term.

14.8 Annual Financial Statements. Within six (6) months after the end of each Accounting Year or, at Lessee's election, after the completion of Lessee's fiscal year, Lessee shall deliver to County a set of audited and certified financial statements prepared by a Certified Public Accountant who is a member of the American Institute of Certified Public Accountants and is satisfactory to County, setting forth Lessee's financial condition and the result of Lessee's operations for such Accounting Year and shall include a certification of and unqualified opinion concerning Lessee's Gross Receipts (including a breakdown by category). All financial statements prepared by or on behalf of Lessee shall be prepared in a manner that permits County to determine the financial results of operations in connection with Lessee's activities at, from or relating to the Premises, notwithstanding that Lessee may have income and expenses from other activities unrelated to its activities on the Premises.

14.9 Accounting Obligations of Sublessees. Lessee shall cause all sublessees, licensees, concessionaires and others conducting business operations on or from the Premises to comply with all terms of this Article 14 with respect to the maintenance, form, availability and

methodology of accounting records and the delivery to County of audited certified financial statements and unqualified opinions as to Gross Receipts.

14.10 Inadequacy of Records. In the event that Lessee or its sublessees, licensees or concessionaires, as appropriate, fails to keep the records required by this Article 14 such that a Certified Public Accountant is unable to issue an unqualified opinion as to Gross Receipts, such failure shall be deemed a breach of this Lease by Lessee. In addition to the other remedies available to County at law or equity as a result of such breach, County may prepare a calculation of the Percentage Rent payable by Lessee during the period in which the accounting records were inadequately maintained. Such calculation may be based on the past Gross Receipts levels on or from the Premises, the past or present level of Gross Receipts experienced by tenants of comparable leaseholds in Marina del Rey with comparable business operations, or any other method as determined by Director and shall utilize such methodology as Director deems reasonable. Within five (5) days after receipt of County's determination of Percentage Rent due, if any, Lessee shall pay such Percentage Rent, together with a late fee of six percent (6%) and interest to the date of payment at the Applicable Rate from the date upon which each unpaid installment of Percentage Rent was due, together with County's Actual Cost in connection with the attempted audit of the inadequate records and the reconstruction and estimation of Gross Receipts and the calculation of Percentage Rent due.

15. MISCELLANEOUS.

15.1 Quiet Enjoyment. Lessee, upon performing its obligations hereunder, shall have the quiet and undisturbed possession of the Premises throughout the Term of this Lease, subject, however, to the terms and conditions of this Lease.

15.2 Time is of the Essence. Except as specifically otherwise provided for in this Lease, time is of the essence of this Lease and applies to all times, restrictions, conditions, and limitations contained herein.

15.3 County Costs. Lessee shall promptly reimburse County for the Actual Costs incurred by County in the review, negotiation, preparation and documentation of this Lease and the term sheets and memoranda that preceded it. The parties acknowledge that Lessee has deposited the sum of _____ Dollars (\$_____) toward those costs. County shall deliver to Lessee a report detailing such expenditures within ninety (90) days after the Execution Date.

15.4 County Disclosure and Lessee's Waiver.

15.4.1. Disclosures and Waiver.

15.4.1.1: "AS IS". Lessee acknowledges that it is currently in possession of the Premises and that Lessee or its predecessor-in-interest has continuously occupied and/or managed and operated the Premises since 1966. Lessee accepts the Premises in their present condition notwithstanding the fact that there may be certain defects in the Premises, whether or not known to either party to this Lease, at the time of the execution of this Lease by Lessee and Lessee hereby represents that it has performed all investigations necessary,

including without limitation soils and engineering inspections, in connection with its acceptance of the Premises "AS IS".

15.4.1.2. Lessee acknowledges that it may incur additional engineering and construction costs above and beyond those contemplated by either party to this Lease at the time of the execution hereof and Lessee agrees that, it will make no demands upon County for any construction, alterations, or any kind of labor that may be necessitated in connection therewith.

15.4.1.3. Lessee hereby waives, withdraws, releases, and relinquishes any and all claims, suits, causes of action (other than a right to terminate as otherwise provided in this Lease), rights of rescission, or charges against County, its officers, agents, employees or volunteers which Lessee now has or may have or asserts in the future which are based upon any defects in the physical condition of the Premises and the soil thereon and thereunder, regardless of whether or not said conditions were known at the time of the execution of this instrument.

15.4.1.4. California Civil Code Section 1542 provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

By initialing this paragraph, Lessee acknowledges that it has read, is familiar with, and waives the provisions of California Civil Code §1542 set forth above, and agrees to all of the provisions of subsection 15.4.1.3 above.

Lessee's Initials

15.4.2. Right of Offset. Lessee acknowledges that the rent provided for in this Lease has been agreed upon in light of Lessee's construction, maintenance and repair obligations set forth herein, and, notwithstanding anything to the contrary provided in this Lease or by applicable law, Lessee hereby waives any and all rights, if any, to make repairs at the expense of County and to deduct or offset the cost thereof from the Annual Minimum Rent, Monthly Minimum Rent, Percentage Rent or any other sums due County hereunder.

15.5 Holding Over. If Lessee holds over after the expiration of the Term for any cause, with or without the express or implied consent of County, such holding over shall be deemed to be a tenancy from month-to-month only, and shall not constitute a renewal or extension of the Term. During any such holdover period, the Minimum Monthly Rent and Percentage Rent in effect at the end of the Term shall be increased to one hundred twenty five percent (125%) of such previously effective amounts. Such holdover shall otherwise be subject to the same terms, conditions, restrictions and provisions as herein contained. Such holding over

shall include any time employed by Lessee to remove machines, appliances and other equipment during the time periods herein provided for such removal.

Nothing contained herein shall be construed as consent by County to any holding over by Lessee, and County expressly reserves the right to require Lessee to surrender possession of the Premises to County as provided in this Lease upon the expiration or other termination of this Lease. The provisions of this Section 15.5 shall not be deemed to limit or constitute a waiver of any other rights or remedies of County provided at law or in equity. If Lessee fails to surrender the Premises upon the termination or expiration of this Lease, in addition to any other liabilities to County accruing therefrom, Lessee shall protect, defend, indemnify and hold County harmless from all losses, costs (including reasonable attorneys' fees), damages, claims and liabilities resulting from such failure, including, without limitation, any claims made by any succeeding tenant arising from such failure to surrender, and any lost profits to County resulting therefrom.

15.6 Waiver of Conditions or Covenants. Except as stated in writing by the waiving party, any waiver by either party of any breach of any one or more of the covenants, conditions, terms, and agreements of this Lease shall not be construed to be a waiver of any subsequent or other breach of the same or of any other covenant, condition, term, or agreement of this Lease, nor shall failure on the part of either party to require exact full and complete compliance with any of the covenants, conditions, terms, or agreements of this Lease be construed as in any manner changing the terms hereof or estopping that party from enforcing the full provisions hereof, nor shall the terms of this Lease be changed or altered in any manner whatsoever other than by written agreement of County and Lessee. No delay, failure, or omission of County to re-enter the Premises or of either party to exercise any right, power, privilege, or option, arising from any default, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right. No notice to Lessee shall be required to restore or revive "time of the essence" after the waiver by County of any default. Except as specifically provided in this Lease, no option, right, power, remedy, or privilege of either party shall be construed as being exhausted by the exercise thereof in one or more instances.

15.7 Remedies Cumulative. The rights, powers, options, and remedies given County by this agreement shall be cumulative except as otherwise specifically provided for in this Lease.

15.8 Authorized Right of Entry. In any and all cases in which provision is made herein for termination of this Lease, or for exercise by County of right of entry or re-entry upon the Premises, or in case of abandonment or vacation of the Premises by Lessee, Lessee hereby irrevocably authorizes County to enter upon the Premises and remove any and all persons and property whatsoever situated upon the Premises and place all or any portion of said property, except such property as may be forfeited to County, in storage for the account of and at the expense of Lessee.

Lessee agrees to indemnify, defend and save harmless County from any cost, expense, loss or damage arising out of or caused by any such entry or re-entry upon the Premises and the removal of persons and property and storage of such property by County and its agents.

15.9 Place of Payment and Filing. All rentals shall be paid to and all statements and reports herein required and other items deliverable to County hereunder shall be filed with or delivered to the Department. Checks, drafts, letters of credit and money orders shall be made payable to the County of Los Angeles.

15.10 Service of Written Notice or Process. Any notice required to be sent under this Lease shall be in compliance with and subject to this Section 15.10. If Lessee is not a resident of the State of California, or is an association or partnership without a member or partner resident of said State, or is a foreign corporation, Lessee shall file with Director a designation of a natural person residing in the County of Los Angeles, State of California, or a service company, such as CT Corporation, which is authorized to accept service, giving his or its name, residence, and business address, as the agent of Lessee for the service of process in any court action between Lessee and County, arising out of or based upon this Lease, and the delivery to such agent of written notice or a copy of any process in such action shall constitute a valid service upon Lessee.

If for any reason service of such process upon such agent is not possible, then any officer of Lessee may be personally served with such process outside of the State of California and such service shall constitute valid service upon Lessee; and it is further expressly agreed that Lessee is amenable to such process and submits to the jurisdiction of the court so acquired and waives any and all objection and protest thereto.

Written notice addressed to Lessee at the addresses below-described, or to such other address that Lessee may in writing file with Director, shall be deemed sufficient if said notice is delivered personally, by telecopy or facsimile transmission or, provided in all cases there is a return receipt requested and postage or other delivery charges prepaid, by registered or certified mail posted in the County of Los Angeles, California, Federal Express or DHL, or such other services as Lessee and County may mutually agree upon from time to time. Each notice shall be deemed received and the time period for which a response to any such notice must be given or any action taken with respect thereto (including cure of any prospective Event of Default) shall commence to run from the date of actual receipt of the notice by the addressee thereof in the case of personal delivery, telecopy or facsimile transmission if before 5:00 p.m. on regular business days, or upon the expiration of the third (3rd) business day after such notice is sent from within Los Angeles County in the case of such registered or certified mail as authorized in this Section.

Copies of any written notice to Lessee shall also be simultaneously mailed to any Encumbrance Holder, Major Sublessee or encumbrancer of such Major Sublessee of which County has been given written notice and an address for service. Notice given to Lessee as provided for herein shall be effective as to Lessee notwithstanding the failure to send a copy to such Encumbrance Holder, Major Sublessee or encumbrancer.

As of the date of execution hereof, the persons authorized to receive notice on behalf of County and Lessee are as follows:

15.11 Interest. In any situation where County has advanced sums on behalf of Lessee pursuant to this Lease, such sums shall be due and payable immediately upon demand, together with interest at the Applicable Rate (unless another rate is specifically provided herein) from the date such sums were first advanced, until the time payment is received. In the event that Lessee repays sums advanced by County on Lessee's behalf with interest in excess of the maximum rate permitted by Applicable Laws, County shall either refund such excess payment or credit it against subsequent installments of Annual Minimum Rent and Percentage Rent.

15.12 Captions. The captions contained in this Lease are for informational purposes only, and are not to be used to interpret or explain the particular provisions of this Lease.

15.13 Attorneys' Fees. In the event of any action, proceeding or arbitration arising out of or in connection with this Lease, whether or not pursued to judgment, the prevailing party shall be entitled, in addition to all other relief, to recover its costs and reasonable attorneys' fees, including without limitation attorneys' fees for County Counsel's services where County is

represented by the County Counsel and is the prevailing party, and also including all fees, costs and expenses incurred in executing, perfecting, enforcing and collecting any judgment.

15.14 Amendments. This Lease may only be amended in writing executed by duly authorized officials of Lessee and County. Notwithstanding the foregoing, Director shall have the power to execute such amendments to this Lease as are necessary to implement any arbitration judgment issued pursuant to this Lease. No amendment, other than an amendment to implement an arbitration judgment and other than an amendment to confirm the termination of the Lease with respect to the Partial Termination Premises pursuant to Section 2.2, shall be binding upon an Encumbrance Holder as to which County has been notified in writing, unless the consent of such Encumbrance Holder is obtained with respect to such amendment.

15.15 Time For Director Approvals. Except where a different time period is specifically provided for in this Lease, whenever in this Lease the approval of Director is required, approval shall be deemed not given unless within thirty (30) days after the date of the receipt of the written request for approval from Lessee, Director either (a) approves such request in writing, or (b) notifies Lessee that it is not reasonably possible to complete such review within the thirty (30)-day period, provides a final date for approval or disapproval by Director (the "Extended Time") and approves such request in writing prior to such Extended Time. If Director does not approve such request in writing within such Extended Time, the request shall be deemed to be disapproved.

15.16 Time For County Action. Notwithstanding anything to the contrary contained in this Lease, wherever Director determines that a County action required hereunder necessitates approval from or an affirmative vote of one or more of County's boards or commissions or County's Board of Supervisors, the time period for County performance of such action shall be extended as is necessary in order to secure such affirmative vote or approval and County shall not be deemed to be in default hereunder in the event that it fails to perform such action within the time periods otherwise set forth herein.

15.17 Estoppel Certificates. Each party agrees to execute, within ten (10) business days after the receipt of a written request therefor from the other party, a certificate stating: (1) that this Lease is in full force and effect and is unmodified (or stating otherwise, if true); (2) that, to the best knowledge of such party, the other party is not then in default under the terms of this Lease (or stating the grounds for default if such be the case); (3) the dates, if any, to which all rental due thereunder has been paid; and (4) whether the certifying party is then aware of any charges, offsets or defenses against the enforcement by the other party of any agreement, covenant or condition hereof to be performed or observed by the certifying party (and, if so, specifying the same). Prospective purchasers and lenders may rely on such statements.

15.18 Indemnity Obligations. Whenever in this Lease there is an obligation to indemnify, hold harmless and/or defend, irrespective of whether or not the obligation so specifies, it shall include the obligation to defend and pay reasonable attorney's fees, reasonable expert fees and court costs.

15.19 Waterfront Promenade. As a part of the Redevelopment Work, Lessee agrees to (i) provide a continuous pedestrian walkway and view piers approved by County ("Promenade")

along the entire waterfront portion of the Premises to comply with the intent of the Local Coastal Program's waterfront promenade plan, (ii) replace all fencing on the Premises with new fencing approved by County, (iii) repave all parking areas, and (iv) complete new or refurbished restrooms for the anchorage tenants. The foregoing work is collectively referred to in this Lease as the "Promenade Work." Lessee shall perform the Promenade Work as part of the Redevelopment Work. The facilities to be constructed under this Section 15.19 shall be constructed in accordance with the provisions of Article 5. Lessee shall join the Promenade located on the Premises with the adjacent promenade located on Parcel 20 and repair any damage to the promenade improvements located on Parcel 20 incurred in connection with Lessee's construction of the Promenade under this Lease. County hereby reserves a public easement for access over and use of the Promenade for pedestrian purposes and such other related uses (including, if approved by County bicycling, rollerblading and the like) as may be established by the County from time to time, all in accordance with such rules and regulations as are promulgated from time to time by the County regulating such public use. Lessee shall be responsible for the maintenance and repair of the Promenade in accordance with maintenance and repair standards established by the County from time to time. The exact legal description of the Premises encumbered by the public easement reserved herein shall be established based upon the final as-built drawings for the Promenade to be delivered by Lessee upon the completion thereof in accordance with the terms and provisions of Article 5 of this Lease. At the request of either party such legal description shall be recorded in the Official Records of the County as a supplement to this Lease.

15.20 Parking.

15.20.1 General. As part of the Redevelopment Work Lessee is required to construct the Parking Structure described in Section 5.1 of this Lease. It is contemplated that the New Commercial Building and the new Anchorage Improvements will require the construction of 241 parking spaces. The exact number of parking spaces required by applicable code to serve the New Commercial Building and the new Anchorage Improvements is referred to herein as the "On-Site Parking Spaces." In addition to the On-Site Parking Spaces, Lessee shall construct 112 parking spaces to serve the anchorage improvements located on Parcel 20 (the "Additional Parcel 20 Parking Spaces") and 94 public parking spaces to satisfy replacement public parking required to be constructed in connection with the development of Parcel 147 (the "Replacement Parcel 147 Parking Spaces") to the extent that the requirement for the Replacement Public Parking Spaces is not eliminated or reduced in connection with receipt of the entitlements and governmental approvals required for the development of Parcel 147. The 447 parking spaces required to be contained in the Parking Structure pursuant to Section 5.1 is based on the foregoing parking requirements. If the required number of On-Site Parking Spaces and/or Replacement Parcel 147 Parking Spaces changes, then the total number of parking spaces required to be contained in the Parking Structure shall be adjusted to reflect any such change. The Parking Structure shall be designed and constructed at the sole cost of Lessee. Any cost sharing agreement that Lessee, the Parcel 147 Lessee and/or the Parcel 20 Lessee may have entered into with respect to the cost of the design and construction of the Parking Structure shall be a matter as between Lessee and such other lessees, and shall not limit or otherwise affect Lessee's obligations to County with respect to the

construction of the Parking Structure. County shall have no obligation with respect to the cost of the design and construction of the Parking Structure.

15.20.2 Additional Parcel 20 Parking Spaces. County hereby reserves a non-exclusive, irrevocable easement on, over and across the Parking Structure and other portions of the Premises required for access to and from the Parking Structure (including without limitation driveways, ramps, aisles, entrances, exits, sidewalks, stairs, elevators and other Improvements) for vehicular and pedestrian access to and use of the Additional Parcel 20 Parking Spaces for parking purposes for the benefit of the anchorage improvements located on Parcel 20. Lessee shall not have the right to charge County, the Parcel 20 Lessee or any Designee (as defined below) for the use of the parking set forth in this subsection 15.20.2, except that during any period during which Parcel 20 continues to be leased to Parcel 20 Lessee, Lessee and such Parcel 20 Lessee shall have the right to mutually agree to a parking charge for the use of the Additional Parcel 20 Parking Spaces, but such charge shall not be binding on County on and after any termination of the lease for Parcel 20 in effect as of the date of this Lease. The Additional Parcel 20 Parking Spaces shall be in a location approved by Director in connection with the approval by Director of the Approved Final Plans, Specifications and Costs, or such other location as approved by Director from time to time. The users of the Additional Parcel 20 Parking Spaces shall have access to and use of the Additional Parcel 20 Parking Spaces 24 hours per day, every day, in accordance with the Operation Plan approved by Director pursuant to subsection 15.20.4 below. The easement described in this subsection 15.20.2 shall run for the benefit of County, as fee owner of the portion of Parcel 20 on which the anchorage improvements are located, and any Parcel 20 Lessee, as lessee of such portion of Parcel 20. The Parcel 20 Lessee (or County if there is no Parcel 20 Lessee) shall have the right to designate users of the anchorage improvements located on Parcel 20 (including visitors) as permitted users of the parking rights set forth in this subsection 15.20.2 ("Designees"), but this subsection 15.20.2 is not intended to confer any rights (including, without limitation, rights to enforce this subsection 15.20.2 as a third party beneficiary) on any third parties, including any such Designee. At Director's election, County and Lessee shall execute in recordable form a separate parking easement agreement that documents the terms and conditions of the parking rights set forth in this subsection 15.20.2. Parcel 20 Lessee shall indemnify, defend and hold Lessee harmless from and against all claims, losses, liabilities, costs or expenses (including without limitation reasonable attorneys' fees) incurred by Lessee for the death of or injury to persons or damage to property, arising in connection with or related to the use of the easement described in this subsection 15.20.2 by Parcel 20 Lessee or its Designees.

15.20.3 Replacement Parcel 147 Parking Spaces. County hereby reserves a public easement on, over and across the Parking Structure and other portions of the Premises required for access to and from the Parking Structure (including without limitation driveways, ramps, aisles, entrances, exits, sidewalks, stairs, elevators and other Improvements) for vehicular and pedestrian access to and use of the Replacement Parcel 147 Parking Spaces for public parking purposes. The location of Replacement Parcel 147 Parking Spaces and the access ways and circulation plan for public use of the
